PTM REPORT
DEPARTMENT OF COMPUTER SCIENCE
ACADEMIC YEAR 2023-2024
(Batch : BCA 2021-2024, Semester : 6)

On 24th February 2024 of Saturday, in the esteemed venue of Lab 2, we conducted a comprehensive PTM of semester 6 of 2021-2024 batch under the guidance of our esteemed Head of the Department, Mr. Sijo Jacob, and the efficient Batch Coordinator, Ms. Nileena Sasidharan, along with the active participation of our dedicated faculty members. This meeting was attended by 30 students and their respective parents, creating a conducive environment for open dialogue and constructive feedback.

Throughout the PTM, the primary objective was to facilitate meaningful conversations aimed at enhancing student learning and overall development. Parents were encouraged to express their concerns, share insights, and provide valuable feedback regarding their child's academic progress, behavior, and any other relevant matters. Likewise, teachers shared detailed assessments of each student's performance, highlighting strengths, areas for improvement, and tailored strategies for academic success.

The PTM concluded with a sense of shared responsibility and commitment towards the academic and personal growth of each student. Both parents and educators expressed gratitude for the opportunity to engage in constructive dialogue and affirmed their dedication to working together in the best interests of the students.

In essence, the PTM held on the 24th Saturday in Lab 2 was a resounding success, characterized by active participation, mutual respect, and a shared commitment to nurturing the potential of every student. It reinforced the importance of strong partnerships between home and school in promoting student success and laid a solid foundation for ongoing collaboration throughout the academic journey.
