Report on Certificate Course: Certificate Course in Python

Development

Name of Certificate Course	· Certificate Course in Python Development
Course Code	CS19AO01
Name of Course Facilitator	Ms. Jeeva Jose
Year of offering	2019-2020
Date of Commencement	21.09.2019
Date of Completion	16.11.2019
Duration of Course	40 Hours
Number of Students enrolled	55
Number of Students completed	53

Course Description

This course offers comprehensive training in Python programming, encompassing syntax, data structures, and advanced topics such as web development and data analysis. Participants acquire hands-on experience and skills essential for careers in software development, data analysis, and related fields.

Topics Covered

Python Fundamentals: Basics of Python, including syntax, data types, variables, and control flow.

Advanced Python Concepts: Lists, dictionaries, functions, exception handling, and file I/O.

Object-Oriented Programming (OOP): Introduction to OOP, classes.

Course Outcomes

CO 1: Students will possess a strong command of Python, enabling them to write efficient and functional Python code.

CO 2: Students will excel in applying object-oriented programming principles, designing and utilizing classes, and implementing inheritance and polymorphism. CO 3: Students will be proficient in web development using Python, including the creation of web applications, user input handling, and web page rendering. CO 4: Students will demonstrate their ability to manipulate and analyze data using

Report on Certificate Course: Certificate Course in Advanced Android Programming

Name of Certificate Course	Certificate Course in Advanced Android
Ivalle of Certificate Course	Programming
Course Code	CS19CC02
Name of Course Facilitator	Ms. Sreejesh S
Year of offering	2019-2020
Date of Commencement	21.11.2019
Date of Completion	20.12.2019
Duration of Course	30 Hours
Number of Students enrolled	52
Number of Students completed	51

Course Description

The certificate course in Advanced Android Programming delves deeper into Android app development, building upon foundational knowledge. Participants explore advanced topics such as complex UI design, background processing, networking, data storage, and integrating third-party libraries. Through hands-on projects and practical exercises, learners refine their skills in creating high-quality, feature-rich Android applications suitable for modern mobile environments.

Topics Covered

Advanced Android Fundamentals: Review of app architecture, advanced UI design, and using Android Jetpack components.

Enhanced User Experience: Animation, touch input, custom UIs, supporting different screen sizes, and accessibility features.

Working with External Data: Integrating RESTful APIs, handling JSON/XML data, caching, location-based services, and third-party libraries.

Debugging and Testing: Android Studio debugging tools, writing tests, optimizing performance, error handling, and device testing.

App Deployment and Distribution: Preparing apps for the Play Store considerations, publishing, updates, and marketing strategies.

Lega.

RALAGIRI VALLEY P.C., KAKKANAD, KDCHI - 582 039 Ph: 0484-2955270 Email: principal@xajagiricollege.edu.in www.sajagiricolloge.edu.in

Course Outcomes

CO 1: Develop complex Android applications by applying advanced programming concepts and best practices.

CO 2: Implement responsive and interactive user interfaces using Android's UI design tools.

CO 3: Utilize external APIs and services to enhance app functionality and user experience.

CO 4: Apply debugging and testing techniques specific to Android development. CO 5: Demonstrate proficiency in mobile app deployment and distribution on the Google Play Store.

About The College

Rajagin College of manager and Applied Sciences is an affiliated college offering undergraduate and post graduate degrees conferred by Mahatma Gandhi University. The institution marked its inception in the year 2005and a modelled on the dream and vision of Saint Kuriakcee Elas Chavara, the founder of CMI Congregation and a social reformer of 19th century.

About The Department

The Department of Computer Science at Rajagiri College focuses on delivering high-quality education and training in computer science. IT, and related fields, its faculty comprises experienced professionals dedicated to mentoring students and guiding their academic and professional development.

Course Description

The certificate course in Advanced Android Programming delves deeper into Android app development, building upon foundational knowledge. Participants explore advanced topics such as complex UI design, background processing, networking, data storage, and integrating third-party ibraries. Through hands-on projects and practical exercises, learners refine their skills in creating highquality, feature-rich Android applications suitable for modern mobile environments the bit of body text.
