Course Description

In "Python Programming and Data Science Using Python," participants gain proficiency in Python fundamentals and its application in data science. Covering Python syntax, data structures, and object-oriented programming, alongside essential data science techniques like data manipulation, analysis, visualization, and machine learning, this course equips learners with practical skills for real-world data science tasks, enhancing career opportunities in the field.

Topics Covered

Python Fundamentals: Covers basic Python syntax, data types, control structures, functions, and libraries.

Data Manipulation: Utilizes NumPy for efficient data processing and Pandas for data cleaning, preparation, and manipulation.

Data Visualization: Employs Matplotlib and Seaborn for creating various plots and effective data presentation.

Machine Learning Basics: Introduces supervised/unsupervised learning, classification/regression algorithms, model training, evaluation, and hyperparameter tuning.

Data Science Project: Involves formulating a project, data preparation, feature engineering, model building, evaluation, and presentation of results.

About The College

Rajagiri College of Management and Applied Sciences is an affiliated college offering undergraduate and post-graduate degrees conferred by Mahatma Gandhi University. The courses are offered in the discipline of Management, Arts and Computer Application. Besides a robust teaching pedagogy, Rajagiri College of Management & Applied Sciences is also a leader in research and innovation.

The institution marked its inception in the year 2005 and is modelled on the dream and vision of Saint Kurukose Elias Chavara, the Founder of CMI congregation and a social reformer in the 19th Century. Effort is given to activities beyond academics at Rajagiri College of Management & Applied Sciences, which is evident from its infrastructure, extracurricular activities and national & international collaborations.

About The Department

The Department of Computer Science at Rajagiri College of Management and Applied Sciences in Kakkannad, Kerala, is typically dedicated to providing high-quality education and training in various aspects of computer science, information technology, and related fields.

The faculty members of the Department of Computer Science are typically experienced professionals and scholars who play a crucial role in delivering quality education, mentoring students, and guiding them through their academic and professional development.
