Leo Paul

The Department of Computer Science at Rajagiri College of Management and Applied Sciences, along with Lore and Ed Research Associates, Assumption College Changanassery, Fathima Mata National College (Autonomous) Kollam, and Bharata Mata College Thrikkakara, organized a 10-day International Online Workshop titled "AI for Academics: 75 Essential Tools" from September 26, 2023, to October 9, 2023. Rajagiri College's Department of Computer Science played a pivotal role in spearheading this workshop, which aimed to equip students with advanced research methodologies for the AI era, thereby enhancing their ability to tackle complex research problems using modern techniques. The event was attended by 212 students.

The workshop featured distinguished resource persons: Dr. Jijo P. Ulahannan, Associate Professor and Head of the Department of Physics and IQAC Coordinator at Govt. College Kasaragod; Mr. Jasimudeen S., Chief Librarian at St Stephens College, Uzhavoor; Ms. Geetha Das, Advisor for IT and Business Transformation at Conceptia Software Technologies, Bengaluru; and Mr. J.S. Anantha Krishnan, Senior Research Fellow in the Department of English at Sri Sankaracharya University of Sanskrit, Kalady. These experts provided valuable insights into various aspects of AI applications in academia.

The workshop comprised a series of informative sessions. The initial sessions introduced participants to AI in academia, providing an overview of AI tools, their significance in modern research, and ethical considerations. This was followed by sessions on advanced research methodologies in the AI era, focusing on data collection techniques, the use of AI for data analysis, and case studies on AI in academic research. Subsequent sessions addressed tools for academic writing and publishing, including AI-based tools for writing assistance, enhancing research papers, and tools for plagiarism detection and referencing. The workshop also covered AI in data management, discussing the organization and management of large datasets, AI tools for data visualization, and best practices in data security and privacy. The final sessions focused on practical applications and future trends, featuring hands-on sessions with

Ugah

essential AI tools, emerging trends in AI, and interactive Q&A sessions with experts.

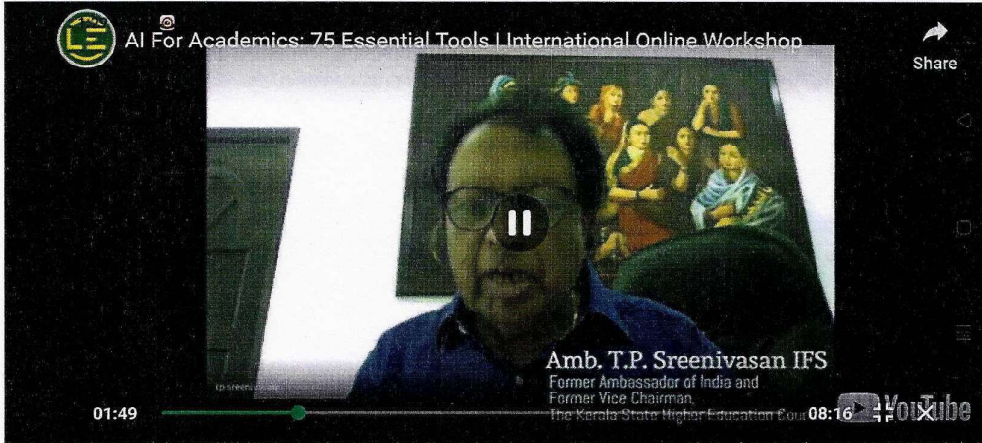

The workshop achieved its goals, with participants gaining a thorough understanding of how AI can be utilized in academic research. The knowledge gained is expected to significantly enhance their academic and professional skills, preparing them for advanced research and ethical contributions in their respective fields. Participants provided positive feedback, appreciating the practical value of the sessions and the expertise of the resource persons.

The organizing committee extends its sincere gratitude to Dr. Jijo P. Ulahannan, Mr. Jasimudeen S., Ms. Geetha Das, and Mr. J.S. Anantha Krishnan for their invaluable contributions. Special thanks go to Mr. Joby Jacob and Mr. Sijo Jacob for their dedicated efforts, as well as the student coordinators, Mr. Leo Paul and Ms. Madonna Justin, for ensuring the success of the workshop.

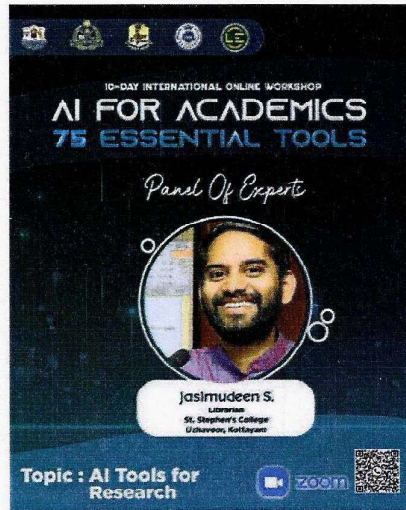

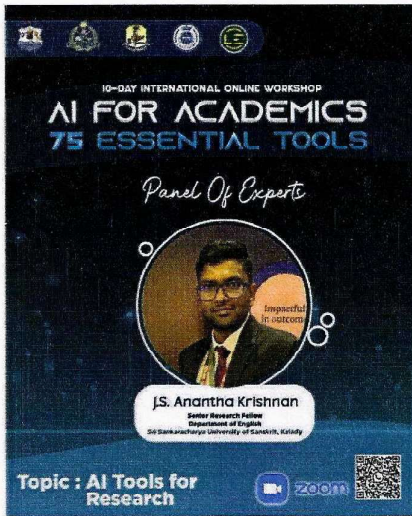

The 10-day International Online Workshop on AI for Academics served as a platform for students to deeply engage with AI applications in research. The insights gained are expected to empower participants in their academic and professional endeavors, fostering a culture of innovation and excellence within the academic community.
