IN MEMORIAM

It is with utmost regret we recall our beloved student Athul Aby Kurian's untimely demise on 15 February 2020. His departure will leave a mark forever in our hearts. Lord bless his soul.

We have been immensely blessed by God Almighty to have completed this academic year most remarkably. As rightfully quoted by John Dewey, an influential educational reformer, 'Education is not preparation for life; education is life itself'. Next to the

indispensable motive of knowledge accumulation, education also targets building good character, igniting responsible behaviour and fostering self-respect. Hence nothing could be erroneous in stating that a person without education is like a building without foundation.
