Report on Technological Advancement: Laptop Donation to Devi Vilasam School

Program	Technological Advancement: Laptop Donation to Devi Vilasam School
Date	25.01.2020
Outcome	Improved access to technology for students, supporting their learning and digital literacy skills.
Organized by	Department of Management
In association with	IQAC
Venue	Devi Vilasam School, Nayarambalam
Faculty Coordinator	Ms. Anila Varghese, Department of Management
Student Coordinator	Mr. D Deepankar, BBA 2 nd semester, Department of Management
Number of Participants	8

The Donation of Laptops was a commendable initiative organized by Management on 25 January 2020. As a others program held at Devi Vilasam School, laptops were donated to Devi vilasam school, Nayarambalam as part of CSR initiative on January 25th. The program aimed at providing access to technology for learning and teaching purposes. A total of 8 students participated in the initiative. The primary objective of the Laptop Donation Program was to provide students at Devi Vilasam School with access to modern technology. In today's digital age, proficiency with technology is essential for academic success and future career opportunities. By donating laptops, the initiative aimed to enhance the educational experience of students, allowing them to utilize digital resources, engage in interactive learning, and develop essential digital skills. The highlight of the event was the official handover of laptops to the school.

Handwritten signature in green ink.

The event also included a demonstration of the laptops' features and potential uses in the classroom. The Laptop Donation Program had a profound positive impact on the students and the overall educational environment at Devi Vilasam School. The immediate benefits were evident as students and teachers began to explore the new learning opportunities afforded by the technology. Lessons became more dynamic and interactive, capturing students' attention and fostering a more engaging learning environment.

This initiative stands out as a beacon of hope and support for Devi Vilasam School, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Inclusive Education Visit: Interaction with Students of Vimukthi Special School

Program	Inclusive Education Visit: Interaction with Students of Vimukthi Special School
Date	18.01.2020
Outcome	Fostered inclusivity and understanding by interacting with special needs students, enhancing their educational experience.
Organized by	Department of Commerce
In association with	IQAC
Venue	Vimukthi Special School, Kalamassery
Faculty Coordinator	Ms. Tessy Biju , Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Aaron Jude Beckham , B.Com Model 2 Taxation, 6th semester, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
No. of Participants	38

On January 18, 2023, the Commerce department, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a meaningful initiative titled "Inclusive Education Visit: Interaction with Students of Vimukthi Special School." This program was designed to foster inclusivity and understanding among students by providing them with an opportunity to interact with special needs students at Vimukthi Special School in Kalamassery. The visit aimed to enhance the educational experience of both sets of students through mutual learning and empathy-building.

Vimukthi Special School, renowned for its dedication to providing quality education and care for children with special needs, served as the ideal venue for this inclusive educational initiative. Ms. Tessy Biju, the Faculty Coordinator, played a pivotal role in organizing and overseeing the program. Her commitment to promoting inclusive education and facilitating meaningful interactions was evident throughout the planning

(Signature)

and execution phases. Supported by Student Coordinator Aaron Jude Beckham, who diligently managed logistics and communication, the team ensured that the visit was both enriching and impactful for all participants involved.

A total of 38 students, including faculty members and volunteers, actively participated in the program. Their enthusiastic engagement reflected a collective desire to embrace diversity and promote a culture of inclusivity within the educational community.

The primary objective of the visit was to create a supportive environment where students could interact respectfully and compassionately with their peers who have special needs. Through structured activities, games, and shared experiences, participants had the opportunity to build meaningful connections and gain firsthand insights into the challenges and strengths of individuals with diverse abilities.

The program was structured to facilitate mutual learning and exchange. Special emphasis was placed on promoting empathy, understanding, and respect for differences. Students from both schools engaged in collaborative activities that fostered teamwork, creativity, and mutual support. Volunteers and staff members from Vimukthi Special School provided valuable insights and guidance, ensuring that the interactions were inclusive and beneficial for all participants.

The visit also included educational sessions where students learned about the unique educational approaches and supportive services available at Vimukthi Special School. These sessions aimed to raise awareness about the importance of inclusive education and the diverse learning needs of all students.

Feedback from participants highlighted the positive impact of the visit on their perspectives and attitudes towards inclusivity. Students expressed appreciation for the opportunity to connect with their peers from Vimukthi Special School, noting that the experience had broadened their understanding of diversity and deepened their sense of empathy. Teachers and staff members praised the program for its role in promoting social awareness and fostering a more inclusive school culture. They observed increased confidence and social skills among students who participated, noting how interactions with special needs peers had positively influenced their personal development and

sense of community.

In conclusion, the "Inclusive Education Visit: Interaction with Students of Vimukthi Special School" program exemplified the Commerce department's commitment to promoting inclusive education and fostering a culture of empathy and understanding. By facilitating meaningful interactions and mutual learning experiences, the initiative not only enriched the educational journey of participants but also contributed to building a more inclusive and compassionate society. Such initiatives serve as powerful reminders of the transformative impact of embracing diversity and celebrating the unique abilities of every individual, thereby creating a more inclusive and supportive environment for all.

Donation of Library books was a commendable initiative organized by the Department of Management on 5 January 2020. As a others program held at Devi Vilasam School, Nayarambalam it aimed to enrich student's learning experiences. It enable students to improve their literary skills and help them to explore different cultures, perspectives and ideas, broadening their worldview. A total of 7 students participated in the event. It can also contribute towards the overall quality of school environment and foster a sense of pride among students and teachers. The primary objective of the **Library Book Donation Program was to enhance the library resources of Devi Vilasam School, providing students with access to a diverse range of books.** Reading is fundamental to educational development, and a well-stocked library can significantly contribute to improving literacy rates and fostering a culture of reading

Legat

among students. By donating a variety of books, the program aimed to cater to different interests and reading levels, encouraging students to explore new worlds, ideas, and knowledge through literature. The Library Book Donation Program had a profound positive impact on the students and the overall school community at Devi Vilasam School. The immediate expansion of the library's resources was evident, with the new books enhancing the variety and quality of reading materials available to the students. The students expressed their excitement and appreciation for the new additions, noting that it made the library more attractive and inviting.

This initiative stands out as a beacon of hope and support for children of the school. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Donation of Tiles was a commendable initiative organized by the Department of Management on 12 December 2019. As a others program held at Devi Vilasam School, Nayarambalam it aimed to improve the infrastructural facility and provide a better learning environment for students. A total of 8 students were part of the event .Donating Tiles can improve safety by providing slip resistant surfaces to children.It can have impact on both the physical infrastructure and the overall learning environment,contributing to the wellbeing of students. The primary objective of the tile donation initiative was to improve the physical infrastructure of Devi Vilasam School. A well maintained and aesthetically appealing learning environment plays a

Geethu Giby

crucial role in the overall educational experience. By donating tiles, the program aimed to provide a better learning atmosphere, which can positively impact students' academic performance and well-being. Improved infrastructure also reflects a commitment to providing quality education and a supportive learning environment. The donated tiles were high-quality and durable, ensuring long-lasting improvements to the school's flooring. The installation process was carried out efficiently, with volunteers and school staff working together to lay the tiles in key areas such as classrooms, corridors, and common spaces. To foster a sense of community involvement, interactive sessions were organized where students and teachers shared their thoughts and expectations about the improved infrastructure. This engagement helped in creating a shared vision for a better learning environment and reinforced the importance of collective effort in achieving educational goals. The tile donation initiative had a profound positive impact on the students, teachers, and the overall school community at Devi Vilasam School. The immediate improvement in the school's infrastructure was evident, with the new tiles enhancing the aesthetic appeal and functionality of the learning spaces. The students expressed their excitement and appreciation for the improved environment, noting that it made their school more welcoming and conducive to learning.

This initiative stands out as a beacon of hope and support for children of the school. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Green Community Initiative: Distribution of Plant Saplings and Grow Bags to Nearby Community

Program	Green Community Initiative: Distribution of Plant Saplings and Grow Bags to Nearby Community
Date	28.11.2019
Outcome	Promoted environmental conservation by distributing plant saplings and grow bags, encouraging community participation in greening efforts.
Organized by	Commerce
In association with	IQAC
Venue	Neighbourhood area of Rajagiri college of Management & Applied Sciences
Faculty Coordinator	Ms. Sunitha Varghese, Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Paul Sebastian, B.Com Model 1 Taxtion, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
No. of Participants	29

On November 28, 2019, the Commerce department in collaboration with the Internal Quality Assurance Cell (IQAC) launched a significant environmental initiative titled the "Green Community Initiative: Distribution of Plant Saplings and Grow Bags to Nearby Community." This program was aimed at promoting environmental conservation and fostering community participation in greening efforts within the neighborhood area of Rajagiri College of Management & Applied Sciences.

The venue for this community-centered program was strategically chosen to engage local residents directly in sustainable practices. Ms. Sunitha Varghese, the Faculty Coordinator, played a pivotal role in spearheading the initiative. Her passion for environmental stewardship and commitment to community engagement ensured the program's success. Assisting her was Student Coordinator Paul Sebastian, who effectively coordinated logistics and volunteer efforts, ensuring smooth execution of

the distribution and engagement activities. A total of 29 participants, including faculty members, students, and volunteers, actively participated in the program, reflecting a shared commitment to environmental conservation and community welfare.

The primary objective of the initiative was twofold: first, to distribute plant saplings and grow bags to local residents, thereby encouraging them to actively participate in greening their surroundings; and second, to raise awareness about the importance of environmental conservation and sustainable living practices. The distributed plant saplings were carefully selected to be native species suitable for the local climate, promoting biodiversity and ecological resilience. The distribution event itself was marked by a spirit of camaraderie and environmental stewardship. Residents from the neighborhood gathered to receive their plant saplings and grow bags, engaging in conversations about the benefits of planting trees and adopting eco-friendly practices. Volunteers and organizers provided guidance on planting techniques and care instructions, ensuring that recipients were equipped with the knowledge needed to nurture their saplings to maturity. Beyond the immediate distribution of plant materials, the program included educational sessions and interactive activities aimed at promoting environmental literacy and community cohesion. Participants learned about the ecological benefits of trees, such as carbon sequestration, air purification, and habitat creation for wildlife. They were encouraged to integrate sustainable practices into their daily lives, such as composting, water conservation, and reducing plastic usage. The impact of the Green Community Initiative was tangible and multifaceted. Participants expressed enthusiasm for contributing to local environmental efforts and appreciated the opportunity to enhance the greenery of their surroundings. Residents committed to caring for their newly planted saplings, recognizing their role in fostering a healthier and more sustainable community environment.

Feedback from the local community highlighted the program's success in fostering a sense of environmental stewardship and community pride. Residents noted increased awareness of environmental issues and a growing interest in participating in future

sustainability initiatives. The initiative also strengthened partnerships between Rajagiri College and the surrounding neighborhood, fostering collaborative efforts towards shared environmental goals.

In conclusion, the "Green Community Initiative: Distribution of Plant Saplings and Grow Bags to Nearby Community" exemplified the Commerce department's commitment to promoting environmental sustainability and community engagement. By empowering local residents with the tools and knowledge needed to contribute to greening efforts, the initiative not only beautified the neighborhood but also inspired collective action towards a more sustainable future. Such initiatives serve as powerful catalysts for environmental awareness and grassroots change, demonstrating the transformative impact of community-driven environmental stewardship.

Report on Technology for Education: Provision of a Projector to Enhance Learning at Devi Vilasam School

Program	Technology for Education: Provision of a Projector to Enhance Learning at Devi Vilasam School
Date	15.10.2019
Outcome	Enhanced educational experiences through technology, making learning more interactive and engaging for students.
Organized by	Department of Management
In association with	IQAC
Venue	Devi Vilasam School, Nayarambalam
Faculty Coordinator	Ms. Megha Mohan, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Ms. Janvi Jose, BBA 3 rd semester, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Number of Participants	10

Donation of Projector was a commendable initiative organized by the Department of Management on 15 October 2019. As a others program held at Devi Vilasam School, Nayarambalam it aimed to enhance the learning and teaching experience. It can facilitate visual learning, making it easier for students to understand complex concepts through multimedia presentations. A total of 10 students were part of the event. The primary objective of providing a projector to Devi Vilasam School was to enhance the quality of education through the use of technology. The integration of audiovisual tools in teaching can significantly enrich the learning experience by making lessons more engaging, interactive, and accessible. This initiative aimed to support teachers in delivering dynamic lessons, facilitate a variety of teaching

Legal

methods, and cater to different learning styles, ultimately improving student engagement and academic outcomes. □ This session included practical examples of how the projector could be used to present multimedia lessons, display educational videos, and conduct interactive activities. Teachers were given hands-on training to familiarize themselves with the new technology and learn how to incorporate it effectively into their lessons. The immediate benefits were evident as teachers and students began to explore the new teaching and learning opportunities afforded by the technology. Lessons became more dynamic and engaging, capturing students' attention and fostering a more interactive learning environment.

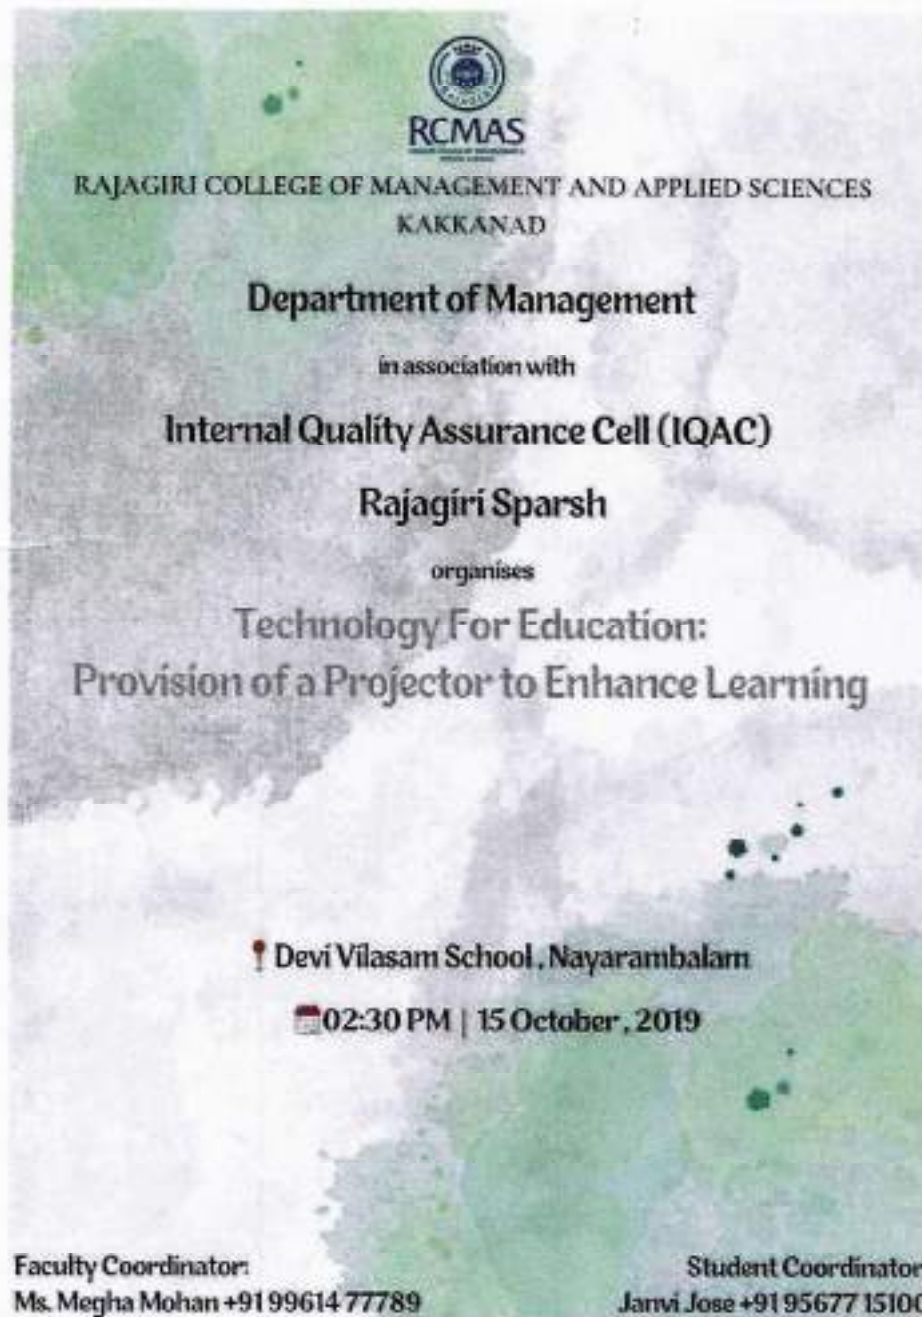

This initiative stands out as a beacon of hope and support for children of the school. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Language Skills Enhancement: 'English for Daily Life' Session at St. Mary's Higher Secondary School, Thalacode

Program	Language Skills Enhancement: 'English for Daily Life' Session at St. Mary's Higher Secondary School, Thalacode
Date	10.10.2019
Outcome	Enhanced students' daily English language skills, enabling them to communicate more effectively in everyday situations. Improved confidence and proficiency in spoken and written English, contributing to their overall academic and personal development.
Organized by	Department of English
In Association with	IQAC
Venue	St. Mary's Higher Secondary School, Thalacode
Faculty Coordinator	Ms. Neha Anne Varughese, Assistant Professor, Department of English, Rajagiri College of Management and Applied Science, Kakkanad
Student Coordinator	Ms. Amritha Victoria Antony, 6 th Semester BA English, Rajagiri College of Management and Applied Sciences, Kakkanad
No. of Participants	5

The extension activity titled "Language Skills Enhancement: 'English for Daily Life'" was conducted on 10th October 2019 at St. Mary's Higher Secondary School, Thalacode. The event was organized by Ms. Neha Anne Varughese (Faculty Coordinator), Ms. Amritha Victoria Antony, (Student Coordinator) and a team of 4 students. The primary aim of this activity was to improve the English language skills of the school students focusing enhancing the students' proficiency in spoken and written English; building confidence in using English for everyday communication, providing practical tips and strategies for improving language

Legal

skills and engaging students in interactive and fun learning activities.

Ms. Neha Anne Varughese introduced the objectives of the activity and the importance of English in education, career opportunities, and daily communication. Ms. Amritha Victoria Antony and her team conducted an activity based session on basic conversational English. They introduced common phrases and expressions used in everyday conversations and provided tips on pronunciation and intonation. Students practiced these phrases through role-playing exercises. The activity included a series of interactive sessions designed to engage the students and improve their language skills. To reinforce the learning, students were divided into small groups and given tasks that required them to use English in practical situations. Each group then presented their work, which included skits, short speeches, and presentations on various topics. These activities helped boost their confidence and provided a platform to showcase their newly acquired skills.

The "Language Skills Enhancement: 'English for Daily Life'" extension activity was successfully completed through interactive sessions, practical exercises, and engaging activities. Students gained valuable language skills that will benefit them in their academic and personal lives. Many students expressed that the activity helped them overcome their fear of speaking in English and gave them practical tools to improve their language skills.

Report: Educational Support for Children's Rights: Study Materials distributed to the neighbourhood

Program	Educational Support for Children's Rights: Study Materials distributed to the neighbourhood
Date	10-10-2019
Outcome	Promoted children's rights and supported their education by distributing study materials, enhancing their academic opportunities and success. Encouraged community involvement in education.
Organized by	Rajagiri Sparsh
In association with	IQAC
Venue	Rajagiri College of Management and Applied Sciences
Faculty Coordinators	Ms. Annu James, Assistant Professor, Department of Computer Science & Ms. Megha Mohan, Assistant Professor, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Mithun S., BCA 3 rd Semester, Department of Computer Science, Rajagiri College of Management and Applied Sciences, Kakkanad
No of Participants	55

On October 10, 2019, Rajagiri Sparsh, in association with the Internal Quality Assurance Cell (IQAC), organized an impactful program at the Rajagiri College of Management and Applied Sciences. The primary objective of this initiative was to promote children's rights and support their education by distributing study materials to the neighbourhood. The program was coordinated by Ms. Annu James and Ms. Megha Mohan, who played a pivotal role in orchestrating the event to enhance academic

Legal

opportunities and success for the children involved. The event aimed to encourage **community involvement in education**, fostering a supportive environment for young learners.

The proceedings of the program were structured to maximize engagement and benefit for the children and the community. **Study materials, including textbooks, notebooks, and other educational resources, were distributed to the children in the neighbourhood.** Faculty members and volunteers from Rajagiri College participated actively in the distribution process, ensuring that each child received the necessary materials to aid their education. The event also included informative sessions on children's rights, emphasizing the importance of education and how it can empower them to secure a better future. Interactive activities and games were organized to make the learning experience enjoyable for the children.

The outcome of the program was overwhelmingly positive. The distribution of study materials significantly enhanced the academic opportunities and success of the children, providing them with the necessary resources to excel in their studies. The initiative also fostered greater community involvement in education, as local residents participated in and supported the event. Feedback from the community and participants highlighted the importance of such initiatives in promoting children's rights and education. Overall, the program succeeded in achieving its objectives, leaving a lasting impact on the children and the community.

Report on Specialized Skill Development: Equipment Donation to Kerala Blind School

Program	Specialized Skill Development: Equipment Donation to Kerala Blind School
Date	08.10.2019
Outcome	Supported the skill development of visually impaired students by providing specialized equipment, enhancing their learning experiences.
Organized by	Department of Commerce
In association with	IQAC
Venue	Kerala Blind School, Aluva
Faculty Coordinator	Dr. Indu G Krishnan, Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Aamil M
No. of Participants	26

On October 8, 2019, the Commerce department, in collaboration with the Internal Quality Assurance Cell (IQAC), undertook a significant initiative titled "Specialized Skill Development: Equipment Donation to Kerala Blind School." This program was meticulously designed to support the skill development of visually impaired students by providing them with specialized equipment, thereby enhancing their learning experiences and fostering their independence.

The venue chosen for this impactful event was the Kerala Blind School in Aluva, a renowned institution dedicated to the education and empowerment of visually impaired individuals. Dr. Indu G Krishnan, the Faculty Coordinator, played a pivotal role in spearheading and organizing the initiative. Her commitment to inclusive education and the advancement of special needs students was evident throughout the planning and execution stages. Assisting her was Student Coordinator Aamil M, who effectively managed logistics and communication, ensuring the smooth implementation

Legat

of the program.

A total of 26 participants, including faculty members and volunteers, actively participated in the program, reflecting a collective dedication to making a positive impact on the lives of visually impaired students. The primary objective of the program was to enhance the educational resources available to visually impaired students by providing them with specialized equipment tailored to their unique needs. The donated equipment included braille embossers, braille typewriters, talking calculators, tactile diagrams, and other assistive technologies designed to facilitate learning and skill development. These resources were carefully selected to complement the curriculum and support students in their academic pursuits.

The donation event itself was a momentous occasion marked by a spirit of generosity and collaboration. Representatives from the Commerce department, IQAC, and local community members came together to witness the impact of their contributions firsthand. The ceremony included demonstrations of how the equipment could be utilized effectively to enhance learning experiences and promote independence among students. Beyond the provision of equipment, the program aimed to promote awareness and advocacy for the needs of visually impaired individuals within the broader community. Educational sessions were conducted to educate students and volunteers about the challenges faced by visually impaired individuals and the importance of inclusive education. These sessions encouraged empathy, understanding, and a commitment to fostering an inclusive society where everyone has equal opportunities to succeed.

Feedback from students and educators at Kerala Blind School underscored the significant impact of the initiative on the educational environment and personal development of students. Visually impaired students expressed gratitude for the newfound resources that enhanced their learning capabilities and expanded their academic horizons. Teachers observed increased engagement and confidence among students, noting improvements in academic performance and skill acquisition.

In conclusion, the "Specialized Skill Development: Equipment Donation to Kerala Blind School" program exemplified the Commerce department's commitment to promoting inclusive education and empowering individuals with special needs. By providing specialized equipment, the initiative not only aimed to enhance the educational experiences of visually impaired students but also to foster independence, confidence, and a sense of belonging within the school community. Such initiatives serve as powerful catalysts for social change, promoting equity and inclusivity while celebrating the diverse strengths and capabilities of all individuals.

On September 3, 2019, the Social Awareness Club of Rajagiri College of Management and Applied Sciences undertook a significant social responsibility initiative by visiting the **flood-affected region of Kainakari**

The primary objective of this initiative was to extend support to the communities affected by the recent floods. The club organized a comprehensive aid distribution

Verul

program, contributing groceries and stationary items to address the immediate needs of the residents in Kainakari. The social club also provided essential educational items to students, supporting their academic success and addressing resource gaps. Fostered equal educational opportunities. The initiative aimed to alleviate the hardships faced by the community, recognizing the importance of providing both sustenance and resources for educational pursuits. The club's efforts were geared towards aiding in the recovery process and facilitating a sense of normalcy in the lives of those impacted by the natural disaster.

The visit to Kainakari showcased the commitment of the Social Awareness Club to social responsibility and community welfare. By directly engaging with the affected region and offering practical assistance, the club demonstrated a proactive approach to addressing the immediate needs of the community.

In conclusion, the initiative conducted by the Social Awareness Club on September 3, 2019, in the flood-torn region of Kainakari was a testament to the college's dedication to social responsibility. The initiative not only provided tangible support in the form of groceries and stationary but also symbolized the collective effort of the club to make a positive impact on the lives of those grappling with the aftermath of a natural disaster.

Report: Dignified Living: Aid Distribution to KRIPA Inmates and Special School Students

Program	Dignified Living: Aid Distribution to KRIPA Inmates and Special School Students
Date	03.08.2019
Outcome	Provided essential aid to KRIPA inmates and special school students, improving their living conditions and supporting their well-being. Fostered community care and support. Also provided lunch for inmates
Organized by	Rajagiri Sparsh
In association with	IQAC
Venue	Kerala Rehabilitation Institute for the Physically Affected
Faculty Coordinators	Ms. Annu James, Department of Computer Science & Ms. Nidhi Varghese, Department of Commerce, Rajagiri College of Management and Applied Sciences.

No of Participants	42

On August 3, 2019, the Social Awareness Club of Rajagiri College of Management and Applied Sciences undertook a significant CSR initiative by visiting the Kerala Rehabilitation Centre.

The primary focus of our initiative was to contribute to the welfare of the residents at the rehabilitation center. In line with this, we organized the distribution of essential items, including groceries and stationery supplies. This distribution aimed to alleviate some of the daily challenges faced by the individuals residing in the center.

Leena

The Social awareness club (Rajagiri Sparsh) also provided lunch to the inmates of KRIPA.

Beyond material support, the Social Awareness Club also conducted various educational classes for the residents. These classes encompassed a diverse range of subjects, tailored to meet the varying needs and interests of the individuals at the rehabilitation center. The educational sessions were designed to empower and engage the residents, fostering a sense of learning and skill development. The inmates of Kripa also taught our students candle making, umbrella making and bookbinding.

The initiative proved to be a collaborative effort, bringing together the members of the Social Awareness Club to contribute positively to the community. By combining tangible assistance through the distribution of necessities with educational empowerment, the club aimed to make a meaningful impact on the lives of those at the Kerala Rehabilitation Centre.

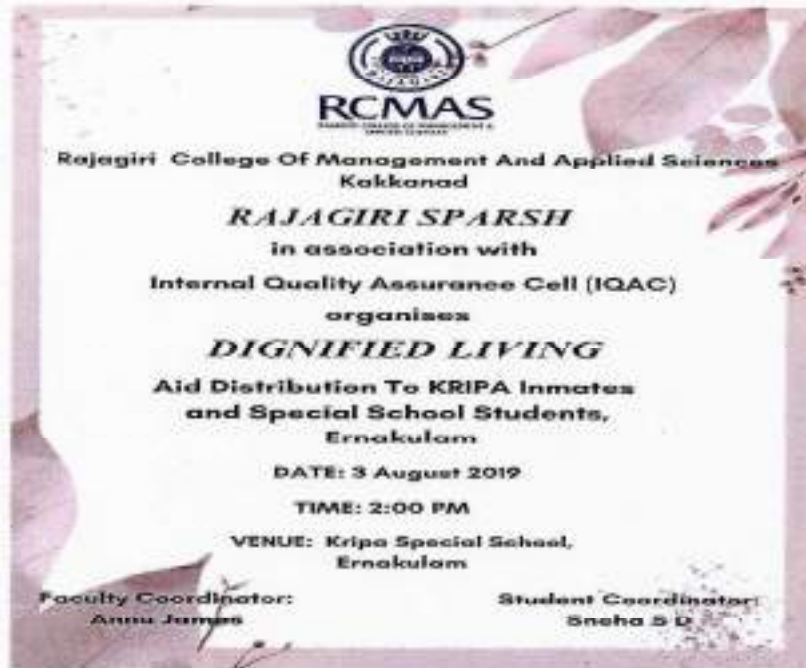

In conclusion, the CSR initiative conducted by the Social Awareness Club on October 13, 2019, successfully addressed both immediate needs and long-term empowerment for the residents of the rehabilitation center. The collaborative efforts of the club members reflected a commitment to social responsibility and community welfare, showcasing the positive impact that educational institutions can have on the broader society.

Report on Campus Aesthetics: Exterior Wall Painting at Devi Vilasam School

Program	Campus Aesthetics: Exterior Wall Painting at Devi Vilasam School
Date	03.08.2019
Outcome	Beautified the school campus, creating a more welcoming and inspiring environment for students and staff.
Organized by	Department of Management
In association with	IQAC
Venue	Devi Vilasam School, Nayarambalam
Faculty Coordinator	Ms. Geethu Giby, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Ms. Anna Thomas, BBA 5 th semester, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Number of Participants	8

The Exterior Wall Painting at Devi Vilasam School was a commendable initiative organized by Management on August 3rd, 2019. As a others program, exterior wall painting was done in Devi vilasam school, Nayarambalam as part of CSR initiative on June 4th. A total of 8 students actively participated in the initiative positively. This initiative stands out as a beacon of hope and support for Devi Vilasam School, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The primary objectives of the wall painting project were to enhance the visual appeal of the school campus, create an inspiring atmosphere that motivates students, foster a sense of pride and belonging among the school community and encourage creativity

Geethu Giby

and teamwork among students and staff. Throughout the day, participants demonstrated teamwork and enthusiasm, helping one another and sharing ideas to improve the designs. The faculty and student coordinators provided guidance and support, ensuring that the project progressed smoothly and stayed on schedule. The project also fostered a sense of community and pride among participants. Students took ownership of the school's appearance, which in turn promoted a culture of care and responsibility towards their surroundings. The activity encouraged creativity, collaboration, and teamwork, helping students develop valuable skills while contributing to the school's improvement.

The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Number of Participants	10

Cleaning of school premises was a commendable initiative organized by the Department of Management on 2 August 2019. As a others program held at Devi Vilasam School, Nayarambalam, it helped in maintaining a hygienic environment in school. A total of 10 students participated in the event. It also contribute towards the aesthetic appeal of the institution by creating a welcoming and professional atmosphere for students, parents and visitors. The primary objectives of Campus Care Day were to promote cleanliness and hygiene within the school campus, encourage students to take active responsibility for their environment, foster teamwork and collaboration among students. Each team took responsibility for cleaning their respective classrooms. This included dusting, sweeping, and organizing desks and

W. T. Paul

materials. Students also decorated classrooms with motivational posters about cleanliness and hygiene. Teams focused on sweeping the corridors, removing litter, and ensuring that pathways were clear. In the playground, students picked up trash, weeded flower beds, and ensured that the area was safe and clean for play. Students worked collaboratively, demonstrating teamwork and a collective commitment to maintaining their school. The hands-on experience taught them the value of cleanliness and the importance of their role in creating a positive learning environment. The success of Campus Care Day highlights the importance of involving students in activities that encourage responsibility, teamwork, and care for their surroundings.

This initiative stands out as a beacon of hope and support for children of the school. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Tech Empowerment: Computer Education for St. Ignatious Layola LPS Students

Program	Tech Empowerment: Computer Education for St. Ignatious Layola LPS Students
Date	07.07.2019
Outcome	Enhanced students' computer skills and digital literacy, preparing them for future technological advancements.
Organized by	Department of Commerce
In association with	IQAC
Venue	Computer Lab
Faculty Coordinator	Ms. Anupa Stanly, Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Ms. Athira Jeevan, B.Com Model 1 Computer Applications Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
No. of Participants	22

On June 7, 2019, the Commerce department, in collaboration with the Internal Quality Assurance Cell (IQAC), launched an empowering initiative titled "Tech Empowerment: Computer Education for St. Ignatious Layola Lower Primary School (LPS) Students." This program was strategically designed to enhance students' computer skills and digital literacy, equipping them with essential knowledge for navigating and succeeding in an increasingly technology-driven world.

The venue for this transformative program was the school's Computer Lab, a dedicated space equipped with computers and educational software to facilitate effective learning. Ms. Anupa Stanly, the Faculty Coordinator, played a pivotal role in orchestrating the program's activities. Her expertise in educational technology and commitment to holistic student development ensured that the initiative met its objectives seamlessly. Assisting her was Student Coordinator Athira Jeevan, who diligently organized logistics and provided support to ensure a smooth learning experience for all

participants.

A total of 22 students from St. Ignatious Layola LPS enthusiastically participated in the program. Their engagement reflected a shared enthusiasm for acquiring new skills and exploring the possibilities offered by technology.

The primary objective of the program was to empower students with foundational computer education that would enhance their digital literacy and prepare them for future academic and professional endeavors. The curriculum was carefully crafted to cover basic computer operations, internet navigation, typing skills, and introductory software applications. These skills were selected to provide a comprehensive introduction to digital tools and resources essential for modern education and communication.

The program's activities were structured to be interactive and hands-on, ensuring that students actively engaged with the learning material and gained practical experience. Teachers and volunteers guided students through tutorials and exercises, offering personalized assistance to ensure comprehension and mastery of the concepts covered. The Computer Lab environment facilitated a conducive learning atmosphere where students could explore and experiment with technology under supportive supervision.

Throughout the program, emphasis was placed not only on technical skills but also on the importance of responsible internet usage, cybersecurity awareness, and ethical considerations in the digital age. Students were encouraged to adopt safe online practices and to use technology as a tool for learning, creativity, and collaboration.

The impact of the program was evident in the increased confidence and proficiency demonstrated by students in navigating computer interfaces and utilizing educational software. Teachers noted improvements in students' ability to complete assignments independently and to utilize digital resources for research and learning.

Feedback from participants and school administrators highlighted the program's success in enhancing students' educational experiences and preparing them for future technological advancements. Parents expressed appreciation for the initiative,

recognizing its role in equipping their children with essential digital skills that are increasingly necessary for academic and professional success.

In conclusion, the "Tech Empowerment: Computer Education for St. Ignatious Layola LPS Students" program exemplified the Commerce department's commitment to empowering students through technology-enhanced learning. By providing foundational computer education, the initiative not only expanded students' digital literacy but also equipped them with valuable skills and competencies for their future endeavors. Such initiatives serve as catalysts for personal and academic growth, fostering a generation of digitally fluent learners ready to thrive in the digital age.

No of Participants	32

On June 20, 2019, an educational enrichment program was organized by Rajagiri Sparsh in association with the Internal Quality Assurance Cell (IQAC) at **Janey Special School**. The primary objective of the program was to support the educational and physical needs of the **special school students**, thereby enhancing their overall learning and development. The initiative aimed to promote inclusive education and well-being, ensuring that students with special needs receive appropriate resources and attention. The event was coordinated by faculty members Ms. Annu James and Dr. Chandralal VS, with Ms. Aleena Thomas serving as the student coordinator.

The proceedings of the program included various activities and contributions tailored

Handwritten signature in green ink

to the needs of the students at Janey Special School. Physiotherapy items were contributed to address the physical development requirements of the students, helping to improve their mobility and overall physical health. Additionally, study materials were distributed to support their educational pursuits. The collaborative effort between Rajagiri Sparsh and IQAC ensured that the students received comprehensive care and educational support, with activities designed to foster an inclusive and supportive learning environment.

The program concluded with positive outcomes, significantly benefiting the students at Janey Special School. The physiotherapy items supplied contributed to the physical well-being of the students, while the study materials enhanced their learning experience. The initiative successfully promoted inclusive education and well-being, aligning with the broader objectives of Rajagiri Sparsh and IQAC. Feedback from the faculty, students, and parents was overwhelmingly positive, highlighting the program's impact on the students' development and well-being. The coordinators expressed their satisfaction with the successful execution of the program and emphasized the importance of continuing such initiatives in the future.

Report on Enhancing Academic Resources: Mukkottuthara Students' Learning Material Distribution

Program	Enhancing Academic Resources: Mukkottuthara Students' Learning Material Distribution
Date	18.06.2019
Outcome	Provided essential learning materials to students, supporting their academic success and educational development.
Organized by	Department of Commerce
In association with	IQAC
Venue	Mukkottuthara Govt. U.P. School, North Mazhuvanoor
Faculty Coordinator	Mr. Jose Francis, Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkannad
Student Coordinator	Mr. Rohith N. Kutty, B.Com Model 2 Logistics Management, 5th semester, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkannad
No. of Participants	36

On June 18, 2019, the Commerce department, in collaboration with the Internal Quality Assurance Cell (IQAC), initiated a significant educational outreach program titled "Enhancing Academic Resources: Mukkottuthara Students' Learning Material Distribution." This program was meticulously planned to provide essential learning materials to students of Mukkottuthara Government Upper Primary School in North Mazhuvanoor, thereby supporting their academic success and educational development.

The venue, Mukkottuthara Govt. U.P. School, was carefully chosen as it serves a diverse student population, including many from underprivileged backgrounds who often lack access to basic educational resources. Mr. Jose Francis, serving as the Faculty Coordinator, played a pivotal role in organizing and overseeing the program. His dedication to educational equity and community service was instrumental in ensuring

that the initiative met its objectives effectively. Assisting him was Student Coordinator Mr. Rohith N. Kutty, who efficiently managed logistics and volunteer coordination, ensuring smooth execution of the distribution process. The program aimed to address the gap in educational resources by providing students with essential learning materials such as textbooks, notebooks, stationery items, and educational aids. These resources were selected based on the specific needs and grade levels of the students, ensuring that each child received materials relevant to their curriculum and learning goals. The distribution event was marked by a spirit of generosity and solidarity, with faculty members, volunteers, and local community members coming together to support the students' educational journey. The ceremony included interactive sessions where volunteers engaged with students, encouraging them to explore their new materials and emphasizing the importance of education in shaping their futures.

Beyond the immediate provision of learning materials, the program aimed to inspire and motivate students to excel academically. Teachers and volunteers shared motivational messages and study tips to encourage students to make the most of their resources and strive for academic excellence. Interactive activities and games were also incorporated to make learning fun and engaging for the students, fostering a positive attitude towards education. The impact of the program was profound and far-reaching. Students expressed gratitude for the support they received, noting how the new learning materials would enable them to participate more actively in class and improve their academic performance. Teachers observed increased enthusiasm and participation among students, highlighting the tangible benefits of having access to essential educational resources.

Feedback from the school community underscored the program's success in enhancing educational opportunities and promoting a culture of learning among students. Parents expressed appreciation for the initiative, recognizing its role in supplementing their children's education and providing them with the tools they need to succeed.

In conclusion, the "Enhancing Academic Resources, Mulkottuthara Students' Learning Material Distribution" program exemplified the Commerce department's commitment

A handwritten signature in green ink, appearing to be "Vignesh", is written over the bottom right portion of the seal.

to promoting educational equity and empowering students through access to essential resources. By bridging the gap in educational materials, the initiative not only supported immediate academic needs but also contributed to the long-term educational development and success of students. Such initiatives serve as catalysts for positive change, fostering a nurturing learning environment where every child has the opportunity to thrive and achieve their full potential.

Report on Sustainable Living Campaign: Jute Bag Distribution to Neighbourhood Community

Program	Sustainable Living Campaign: Jute Bag Distribution to Neighbourhood Community
Date	18.06.2019
Outcome	Promoted sustainable living by encouraging the use of jute bags, reducing reliance on plastic bags.
Organized by	Department of Management
In association with	IQAC
Venue	Neighbourhood area of Rajagiri college of Management & Applied Sciences
Faculty Coordinator	Mr.W T Paul, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Vaishakh V Gopal, BBA 3 rd semester, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Number of Participants	7

Jute bag distribution was a commendable initiative organized by Management on 18 June 2019. As a others programme, distribution of Jute bags raised awareness among people about the environmental impact of plastic pollution and the importance of making sustainable choices. A total of 7 students were part of the initiative. Jute bag distribution was a simple yet impactful way to adopt eco-friendly habit among people and contribute to a greener planet. The primary objective of the Sustainable Living Campaign was to promote the use of jute bags as a sustainable alternative to plastic bags. By distributing jute bags to the neighbourhood, the campaign aimed to raise awareness about the environmental impact of plastic pollution and encourage

W. T. Paul

residents to adopt more eco-friendly habits. The initiative also sought to foster a culture of sustainability within the community, emphasizing the importance of reducing reliance on single-use plastics. The highlight of the campaign was the **distribution of jute bags to the local community**. Volunteers, including students and community members, visited households and local businesses to distribute the jute bags. The Sustainable Living Campaign had a significant positive impact on the local community. The immediate outcome was an increased awareness of the environmental impact of plastic bags and the benefits of using jute bags as a sustainable alternative. The distribution of jute bags provided a practical solution for residents, encouraging them to make eco-friendly choices in their daily lives.

This initiative stands out as a beacon of hope and support for Residents in the neighbourhood of college premises, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Eco-Conscious Survey: Assessing Plastic Use in Local Neighborhoods

Program	Eco-Conscious Survey: Assessing Plastic Use in Local Neighborhoods
Date	14.06.2019
Outcome	Raised awareness about plastic use, encouraging eco-friendly practices and reducing plastic waste in the community.
Organized by	Department of Management
In association with	IQAC
Venue	Neighbourhood area of Rajagiricollege of Management & Applied Sciences
Faculty Coordinator	Ms.Megha Mohan , Department of Management
Student Coordinator	Ms.Anna Thomas,BBA 5 th semester, Department of Management
Number of Participants	8

The External survey was a commendable initiative organized by Management on 14 June 2019. As a others programme, an external survey was conducted in the neighbourhood on usage of plastic bags. A total of 8 students participated in the initiative by visiting several houses in the neighborhood areas and created an awareness on the negative impact of plastics on environment. The initiative promoted the concept of environment sustainability through reduces usage of plastics. The primary objective of the Eco-Conscious Survey was to evaluate the extent of plastic use in local neighborhoods and to educate residents about the environmental consequences of plastic pollution. By gathering data on plastic consumption patterns, the survey aimed to identify areas where interventions could be made to reduce

(Handwritten signature)

plastic waste. Additionally, the initiative sought to foster a sense of environmental responsibility among community members and encourage the adoption of sustainable practices. Teams of volunteers, including students and community members, were deployed to conduct door-to-door surveys in the neighborhoods around Rajagiri College. The survey collected data on the types and quantities of plastic used, disposal methods, and residents' awareness of the environmental impact of plastic waste. Participants found the interactive sessions and workshops informative and motivating. The demonstrations on eco-friendly alternatives and waste management practices inspired many residents to make changes in their daily habits. By assessing plastic consumption patterns and educating residents about the environmental impact of plastic waste, the program has made a lasting impact on the community, promoting a culture of environmental responsibility and sustainability.

This initiative stands out as a beacon of hope and support for Residents in the neighbourhood of college premises, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

**Report on Medical Aid Assistance: Financial Support to Vadavukode Puthencruz
Grama Panchayath**

Program	Medical Aid Assistance: Financial Support to Vadavukode Puthencruz Grama Panchayath
Date	12.06.2019
Outcome	Provided financial assistance for medical aid, supporting the health and well-being of the local community.
Organized by	Commerce
In association with	IQAC
Venue	Vadavukode Grama Panchayath Office
Faculty Coordinator	Ms. Jesmi Jacob, Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Ms. Mili Ann George,, B.Com Model I Taxation Semester 6 Department of Commerce, Rajagiri College of Management and Applied Sciences, Kakkanad
No. of Participants	22

On June 12, 2019, the Commerce department, in collaboration with the Internal Quality Assurance Cell (IQAC), undertook a compassionate initiative titled "Medical Aid Assistance: Financial Support to Vadavukode Puthencruz Grama Panchayath." This program was designed to provide crucial financial assistance for medical aid, thereby supporting the health and well-being of individuals within the local community served by the Vadavukode Grama Panchayath Office.

The choice of venue, the Vadavukode Grama Panchayath Office, was pivotal as it served as the administrative hub for the local community, ensuring that financial support reached those in need effectively. Ms. Jesmi Jacob, the Faculty Coordinator, led the initiative with dedication and compassion. Her commitment to community service and welfare was instrumental in organizing and overseeing the program. Assisting her was Student Coordinator Mili Ann George, who played a crucial role in coordinating logistics, communication, and participant engagement.

Jesmi Jacob

A total of 22 participants, including faculty members, students, and volunteers, actively participated in the program, demonstrating a shared commitment to making a meaningful impact on the lives of community members in need of medical assistance.

The primary objective of the program was to alleviate financial burdens associated with medical expenses for individuals and families facing health challenges within the Vadavukode Puthencruz Grama Panchayath. The initiative provided financial aid that could be used towards medical treatments, medications, hospital visits, diagnostic tests, and other essential healthcare needs. This support aimed to ensure that community members could access timely medical care without financial hardship, thereby promoting their health and well-being. The distribution of financial aid was conducted with transparency and sensitivity to privacy concerns. Recipients were identified based on their demonstrated need and were provided with discreet assistance to maintain their dignity. The program emphasized confidentiality and respect for the privacy of individuals seeking medical aid, ensuring that their personal circumstances were handled with compassion and professionalism.

The impact of the Medical Aid Assistance program was profound and far-reaching. Recipients expressed heartfelt gratitude for the financial relief provided, noting how it eased their worries and enabled them to focus on recovery and well-being. For many, the assistance received represented a lifeline during challenging times, underscoring the importance of community support in times of need.

Feedback from program participants and community members highlighted the positive impact of the initiative on local health outcomes and community cohesion. The program not only provided immediate relief but also fostered a sense of solidarity and compassion within the community. Residents appreciated the Commerce department and IQAC's commitment to addressing real-life challenges faced by individuals and families, reinforcing a sense of trust and partnership between the academic institution and the broader community.

In conclusion, the "Medical Aid Assistance: Financial Support to Vadavukode Puthencruz Grama Panchayath" program exemplified the Commerce department's commitment to social responsibility and community welfare. By providing financial assistance for medical aid, the initiative not only supported individual health and well-being but also strengthened community resilience and solidarity. Such initiatives underscore the transformative impact of compassionate action and collaborative efforts in addressing pressing societal needs.

Number of Participants	12

Planting of saplings was a commendable initiative organized by the Department of Management on 5 June 2019. As a others program held at **Devi Vilasam School, Nayarambalam, it provide an awareness about the importance of tree planting in** enriching the educational experience and instils values of environmental responsibility in children. A total of 12 students were part of the event. The primary objectives of the Green Campus Project were to increase the green cover within the school campus through tree planting, foster environmental awareness and responsibility among students, encourage sustainable practices and ecological conservation and promote the benefits of trees and their role in maintaining a healthy environment. Alongside the planting activities, awareness sessions were conducted to educate students about the ecological benefits of trees, including carbon sequestration,

[Handwritten signature in green ink]

soil conservation, and habitat creation for wildlife. These sessions aimed to deepen students' understanding of environmental issues and the importance of sustainable practices. The Green Campus Project was a tremendous success, with numerous saplings planted throughout the school grounds. This initiative not only contributed to increasing the school's green cover but also fostered a sense of ownership and responsibility among students for their environment. The project enhanced the ecological diversity of the campus, providing habitats for various species and improving air quality. Students actively engaged in the project, demonstrating teamwork, collaboration, and a commitment to environmental conservation. The hands-on experience reinforced their understanding of ecological issues and the importance of trees in maintaining a healthy environment. It also contributed to the long term greening of their communities, leaving a lasting legacy for future generations to enjoy.

This initiative stands out as a beacon of hope and support for children of the school. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Report on Environmental Stewardship: Adoption and Beautification of Devi Vilasam School

Program	Environmental Stewardship: Adoption and Beautification of Devi Vilasam School
Date	01.06.2019
Outcome	Fostered a sense of ownership and responsibility towards the environment among students through beautification projects.
Organized by	Department of Management
In association with	IQAC
Venue	Devi Vilasam School, Nayarambalam
Faculty Coordinator	Ms. Anila Varghese, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Student Coordinator	Mr. Litu Antio T, BBA 5 th semester, Department of Management, Rajagiri College of Management and Applied Sciences, Kakkanad
Number of Participants	10

The Adoption of **Devi Vilasam School** was a commendable initiative organized by Management on 1st June 2019. The initiative aimed at providing the necessary resources and support for the upliftment of the school. A total of 10 students were part of the initiative. The primary objectives of the program is to enhance the school's aesthetic appeal through environmental beautification, foster environmental awareness and responsibility among students, encourage active participation in campus maintenance and beautification projects. And promote a sustainable and eco-friendly environment within the school community. A designated area was transformed into a vibrant garden, featuring colourful flowers and ornamental plants. Students and staff worked together to design and create the garden, incorporating creative elements like recycled materials for garden borders and planters. A thorough

cleanup of the campus was conducted, with students picking up litter, weeding, and tidying up the surroundings. This activity instilled a sense of pride and responsibility in maintaining a clean and green environment. The Environmental Stewardship program was highly successful in achieving its objectives. The beautification projects not only enhanced the aesthetic appeal of Devi Vilasam School but also fostered a strong sense of environmental responsibility among students. The newly planted trees and garden areas created a more inviting and eco-friendly campus, promoting biodiversity and sustainability. The program instilled a sense of ownership among students, as they actively participated in the maintenance and beautification of their school. This engagement promoted teamwork, creativity, and environmental consciousness, with students taking pride in their contributions to the school's environment. This initiative stands out as a beacon of hope and support for Devi Vilasam School, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.
