Dear Mr. Viju

**To whom it may concern**

**ACCA** is a recognised chartered body in the UK, offering professional qualifications. The same qualifications using the same controls are offered globally and assessment is carried out by ACCA centrally. Therefore, location of students is not relevant to the standard of ACCA's qualifications.

ACCA's Council is responsible under its UK Royal Charter to the UK Privy Council. Under the Companies Act 2006, ACCA is also responsible to the Financial Reporting Council (FRC) for the regulation of statutory auditors, making ACCA a Recognised Supervisory Body (RSB). ACCA is also recognised as a Recognised Qualifying Body (RQB) under the UK Companies Act 2006 and this means that ACCA has to set professional examinations which are at least equivalent in standard to those required to obtain a degree from a UK university.

UK ENIC (formerly UK NARIC) is the National Agency, managed on behalf of the UK Government, responsible for providing information, advice and expert opinion on vocational, academic and professional skills and qualifications from over 200 countries worldwide. UK ENIC equates the ACCA Qualification to a UK 'Taught Master's' degree no matter the location of the student. Attestation of the ACCA Qualification's comparability to UK Master's Degree Level, is available from UK ENIC at the following webpage:  
<https://www.enic.org.uk/Qualifications/SOC/>

ACCA has secured recognition of the ACCA Qualification at master's degree level on a number of national and regional qualification frameworks. More information on the recognition of ACCA and ACCA's qualifications is available to download on the following ACCA webpage:  
<https://www.accaglobal.com/uk/en/about-us/who-we-are/uk-qualification-framework-recognition.html>

Please contact ACCA Connect on +44(0)141 582 2000 should you require any further information or assistance.
