Welfare Facilities

The institution is committed to enhance the professional development programs to stimulate intellectual growth, access to counseling services and wellness workshops to support emotional health, and on-site fitness centers and recreational activities to promote physical fitness of staff members.

The following are the welfare schemes put forward for the benefit of the employees

- **Free Wi-Fi**-The provision of Free Wi-Fi is a pivotal welfare measure implemented by our college to support the academic and personal needs of students, faculty, and staff. This initiative aims to create an environment conducive to learning, research, and communication by ensuring seamless access to the internet
- **Computer Lab Facility** - It provides resources to support the academic and professional needs of our students and staff, equipped with Modern computers with High-speed internet.
