COLLEGE ANNUAL REPORT - ACADEMIC YEAR 2020-2021

Education must include developing a humane ideal. RCMAS follows the motto “Learn, Serve, Excel” to enhance students' knowledge while building moral, social, and rational foundations. The college aims to empower and uplift young minds to lead the future.

The past year brought significant challenges, especially in education, due to COVID. RCMAS had to adapt to virtual learning, acquiring new technological skills but sacrificing the dynamic, in-person campus experience. Despite these changes, the college faced the challenges with grace, optimism, and dedication.

Rajagiri College of Management and Applied Sciences, established in 2005 by the CMI fathers of the Sacred Heart Province, is affiliated with Mahatma Gandhi University. It offers ten undergraduate programs in fields such as Commerce, Management, Computer Science, Animation, and English, and recently added two postgraduate courses in Commerce and Graphic Design. In addition to the regular curriculum, 12 Certificate Courses are offered in the college.

This year the college welcomed Rev. Fr. Dr. Mathew Vattathara CMI as the Director and Rev. Fr. Ajeesh Puthussery as the Principal.

Rev. Fr. A. J. Saviance CMI, after 6 years of dedicated service, bid farewell. His vision and hard work were crucial in shaping the college's success.

INFRASTRUCTURE

The college features a six-floor building with 36 lecture halls, modern computer labs, a 2D lab, 3D lab, Stop-Motion lab, mini seminar hall, stationery and souvenir shops, an auditorium, library, chapel, and a functioning canteen. Most classrooms are equipped with Smart Class Technology. Surveillance cameras are installed on the sixth floor and in the auditorium for exam security, and the campus is fully CCTV-enabled for vigilance and security. An inter-departmental intercom system supports faculty communication.

The fully automated college library holds 10,985 books and subscribes to 17 regional and national periodicals. Library hours are scheduled to encourage maximum student use.

The campus features an outdoor gym, indoor and open basketball courts, a cricket pitch, football ground, netball court, tennis court, volleyball court, kabaddi area with a 256-square-meter Asian Federation standard mat, an indoor table tennis area, and an open auditorium. Intensive sports training is provided by Dr. Bipin Das U.R.

ACADEMIC ACTIVITIES

We aim to create a learning environment that supports students' self-actualization. Our multidisciplinary approach fosters employable skills while evaluating academic achievements through In-Semester Assessments, seminars, and assignment.

The classes for this academic year commenced on 01 June 2020 for the sixth semester students, on 24 June 2019 for the fourth semester students and on 22 October 2020 for the first semester students.

The pass percentage of the batch 2017-2020 demonstrates a steady upsurge as substantiated below-

The fest consisted of 10 different competitions related to management, commerce, literature, technology and animation. It was a remarkable success with 437 participants from 81 institutions. With the participation from reputed universities in Italy and UAE, INCEPTRA 2K21 attained an international status too. The event's hind works were flagged off on 4 February 2021 with an official announcement. A theme video was launched on 10th March. The valedictory function, conducted online, was chaired by the Principal Rev. Fr. Ajeesh Puthussery CMI. The ever-rolling trophy was bagged by IIM Kozhikode.

CELEBRATIONS

Amid the pandemic the college celebrated Onam and Christmas via the virtual platform. The celebrations were carried out department wise and the students promised virtual participation for various events organized.

IN MEMORIAM

On a deep note of sorrow, the college witnessed the sad demise of one of our family members this year. Jerry Johny Joseph of B. Com Model 1 Computer Applications entered eternal life, whose untimely & tragic death was received with immense grief and shock by the college.

Despite the challenges of the current times and the demands of the new online education system, our college has been successful in achieving our academic goals and fulfilling our values and duties. We move on to greater dreams and aspirations with the strength of prayer, dedication and relentless effort. With an overwhelming sense of gratitude, we raise our hearts in prayer to the Sacred Heart of Jesus for his countless blessings. We are also indebted to all our benefactors and sponsors for their prayers and support in all our endeavors. As the great poet and thinker Rabindranath Tagore quoted once, "The highest education is that which does not merely give us information but makes our life in harmony with all existence." May our efforts guide us to a better existence, a better understanding of life and our purpose here. May the God Almighty bless us all to fulfill our hopes and dreams and may the blessings of St. Chavara guide us into a great future!

Thank you,

Fr Ajeesh Puthussery CMI
