

## Academic and Administrative Audit 2022-23

### Action Taken Report

Area	Suggestions	Action Taken
<b>Faculty Development:</b>	<ul style="list-style-type: none"> <li>• Strengthen support for faculty to participate in international conferences and collaborative research projects.</li> </ul>	<ul style="list-style-type: none"> <li>• The institution has allocated additional funds specifically for supporting faculty participation in workshops, seminars and conferences.</li> </ul>
<b>Student Engagement:</b>	<ul style="list-style-type: none"> <li>• Increase student access to resources and opportunities for entrepreneurial and leadership development.</li> </ul>	<ul style="list-style-type: none"> <li>• An Entrepreneurship Cell (IEDC) is in place to provide a dedicated platform for students interested in entrepreneurship. IEDC organizes workshops, seminars, and guest lectures by successful entrepreneurs to inspire and educate students about starting their own ventures.</li> </ul>
<b>Infrastructure Development:</b>	<ul style="list-style-type: none"> <li>• Focus on creating more collaborative spaces for students and faculty to engage in research and innovation.</li> <li>• Improve accessibility and availability of digital learning tools and resources.</li> </ul>	<ul style="list-style-type: none"> <li>• Co-working space will be introduced within the campus library and other academic wings. These spaces are designed to encourage spontaneous collaboration and idea-sharing among students and faculty.</li> <li>• Installed EBSCO, N-LIST and DELNET</li> </ul>

<p><b>Quality Assurance and Feedback:</b></p>	<ul style="list-style-type: none"> <li>• Expand the use of technology in quality assurance processes, including digital feedback systems and analytics.</li> </ul>	<ul style="list-style-type: none"> <li>• A digital feedback system is in place to collect and analyse feedback from students, faculty, and other stakeholders.</li> </ul>
<p><b>Administrative Audit</b></p>	<ul style="list-style-type: none"> <li>• Implement more experiential learning opportunities, such as internships and live projects.</li> <li>• Implement a campus-wide sustainability initiative.</li> <li>• Increase investment in digital infrastructure, including virtual labs and online learning platforms.</li> <li>• Expand the role of student feedback in quality assurance processes.</li> </ul>	<ul style="list-style-type: none"> <li>• Collaborations with various industries and organizations are strengthened to offer a broader range of internship opportunities across different fields.</li> <li>• Several green initiatives are being launched, including energy-efficient lighting, water conservation measures and waste reduction programs. Solar panels were installed on key buildings to reduce reliance on non-renewable energy sources.</li> <li>• The institution is investing in upgrading its IT infrastructure, including high-speed internet, servers, and cloud storage, to support the increased demand for digital learning and virtual labs.</li> <li>• A formal process was established to ensure that student feedback is systematically reviewed and integrated into decision-making processes. Regular meetings are held with student representatives to discuss feedback and its implications for academic and administrative policies.</li> </ul>

<b>Expand Industry Collaboration:</b>	<ul style="list-style-type: none"> <li>• Foster deeper collaborations with industry through incubators.</li> <li>• Encourage more active participation of industry professionals in academic programs through guest lectures.</li> </ul>	<ul style="list-style-type: none"> <li>• Supporting startups especially software development through incubation centre.</li> <li>• Adding more guest lectures in the department academic calendar.</li> </ul>
<b>Cultural and Social Engagement:</b>	<ul style="list-style-type: none"> <li>• Continue to diversify cultural and social events to reflect a wide range of interests and backgrounds.</li> </ul>	<ul style="list-style-type: none"> <li>• Projecting diverse cultural backgrounds through ethnic events in the backdrop of cultural fiesta.</li> </ul>
<b>Strengthen Student Development Initiatives:</b>	<ul style="list-style-type: none"> <li>• Introduce formal training and certification programs for student volunteers, enhancing their skills and employability.</li> </ul>	<ul style="list-style-type: none"> <li>• The institution will be establishing formal training and certification programs specifically designed for student volunteers. These programs include workshops and courses in leadership, project management, communication, and other relevant skills.</li> </ul>
<b>Mental Health Services Enhancement:</b>	<ul style="list-style-type: none"> <li>• Further expand counseling services to meet increasing demand, including specialized counseling (e.g., academic stress, career counseling).</li> </ul>	<ul style="list-style-type: none"> <li>• The institution has significantly expanded its counseling center. Counselor is available to address various student needs, including specialized counseling for academic stress, career planning and personal challenges.</li> </ul>
<b>Academic Support and Mentorship:</b>	<ul style="list-style-type: none"> <li>• Increase the availability of peer mentoring programs and encourage faculty involvement in student mentoring.</li> </ul>	<ul style="list-style-type: none"> <li>• Regular mentor-mentee meetings and structured mentoring activities have been integrated into the academic calendar to foster stronger relationships and enhance student success.</li> </ul>

<b>Financial Aid and Scholarships:</b>	<ul style="list-style-type: none"> <li>• Streamline the application and disbursement process for financial aid to ensure timely support.</li> </ul>	<ul style="list-style-type: none"> <li>• The financial aid application and disbursement process has been thoroughly reviewed and streamlined to provide more efficient and timely support to students.</li> </ul>
<b>Health and Wellness Expansion:</b>	<ul style="list-style-type: none"> <li>• Introduce comprehensive wellness programs focusing on mental health, stress management and healthy lifestyles.</li> </ul>	<ul style="list-style-type: none"> <li>• Sessions on stress management and work-life balance are in consideration.</li> </ul>
<b>Expand Research Funding and Support:</b>	<ul style="list-style-type: none"> <li>• Pursue diverse funding sources, including industry sponsorships, philanthropic contributions, and international grants.</li> </ul>	<ul style="list-style-type: none"> <li>• Efforts have been intensified to secure industry sponsorships, resulting in successful partnerships with several companies that are now supporting campus events.</li> </ul>
<b>Encourage High-Impact Research:</b>	<ul style="list-style-type: none"> <li>• Foster a culture of research excellence by recognizing and rewarding outstanding research achievements.</li> </ul>	<ul style="list-style-type: none"> <li>• A formal recognition program will be introduced, featuring annual awards for research excellence in various disciplines. These awards include monetary incentives, certificates of achievement, and public acknowledgment during institutional events.</li> </ul>
<b>Enhance Faculty and Student Research Capacities:</b>	<ul style="list-style-type: none"> <li>• Provide professional development opportunities for faculty in research methodology, grant writing, and publication strategies.</li> </ul>	<ul style="list-style-type: none"> <li>• A series of workshops and training sessions will be organized, facilitated by experienced researchers and industry experts.</li> </ul>
<b>Strengthen Research Collaborations and Networks:</b>	<ul style="list-style-type: none"> <li>• Proactively seek international collaborations and</li> </ul>	<ul style="list-style-type: none"> <li>• Faculty members are encouraged to present their research at</li> </ul>

	<p>partnerships to enhance research quality and global reach.</p> <ul style="list-style-type: none"> <li>• Promote the formation of research clusters or thematic groups to concentrate efforts on key strategic areas.</li> </ul>	<p>international conferences.</p> <ul style="list-style-type: none"> <li>• Regular workshops and seminars are in consideration for discussing future research directions.</li> </ul>
<b>Increase Research Visibility and Impact:</b>	<ul style="list-style-type: none"> <li>• Develop strategies for wider dissemination of research findings, including public engagement, media outreach, and policy briefs.</li> <li>• Encourage the practical application of research through industry partnerships, technology transfer and commercialization efforts.</li> </ul>	<ul style="list-style-type: none"> <li>• The institution will be launching an incubation center to support faculty and students in transforming their research into viable startups.</li> </ul>
<b>Deepen Academic Collaborations:</b>	<ul style="list-style-type: none"> <li>• Continue to expand international academic collaborations, focusing on joint research, publication opportunities and student exchange programs.</li> <li>• Establish formal agreements for dual degrees and twinning programs with reputed international universities.</li> </ul>	<ul style="list-style-type: none"> <li>• MoUs with institutions are in consideration.</li> <li>• Since the college is following the University curriculum such twinning programmes cannot be offered.</li> </ul>
<b>Enhance Industry-Academia Linkages:</b>	<ul style="list-style-type: none"> <li>• Develop a structured industry engagement strategy, including regular industry-academic dialogues, collaborative research, and customized training programs.</li> <li>• Introduce industry-led certification programs and workshops to enhance the</li> </ul>	<ul style="list-style-type: none"> <li>• Will be creating a Strategic Plan that outlines regular industry-academic dialogues and customized training programs tailored to industry needs.</li> <li>• Will be organizing industry-led workshops, providing students with hands-on experience and practical skills</li> </ul>

	employability of students.	relevant to their chosen careers.
<b>Expand Community Engagement Initiatives:</b>	<ul style="list-style-type: none"> <li>• Strengthen the integration of community service into the academic curriculum, encouraging more students to participate in service-learning projects.</li> <li>• Build long-term partnerships with community organizations to address critical social issues and promote sustainable practices.</li> </ul>	<ul style="list-style-type: none"> <li>• Partnering with local NGOs and community organizations to provide meaningful service-learning opportunities that address local needs is in consideration.</li> <li>• Promotion of sustainable practices across the campus through awareness campaigns and educational programs is in consideration.</li> </ul>
<b>Increase Professional Network Engagement:</b>	<ul style="list-style-type: none"> <li>• Promote active participation in professional associations, providing support for memberships, conference attendance, and publication opportunities.</li> <li>• Encourage faculty to take leadership roles in professional bodies, enhancing the institution's profile and influence.</li> </ul>	<ul style="list-style-type: none"> <li>• Encouraging faculty to publish in association-led journals and participate in professional development workshops offered by these associations.</li> <li>• Establishment of a mentorship program where senior faculty guide junior colleagues in navigating leadership roles within professional associations is in consideration.</li> </ul>
<b>Broaden Recruiter Network:</b>	<ul style="list-style-type: none"> <li>• Continue to expand the recruiter base, targeting sectors such as technology, healthcare, and digital marketing.</li> <li>• Enhance engagement with international companies to provide global career opportunities for students.</li> </ul>	<ul style="list-style-type: none"> <li>• Expansion of the recruitment strategy to include companies from high-growth sectors such as technology, healthcare, and digital marketing is in consideration.</li> <li>• Platforms are provided for awareness on global career opportunities.</li> </ul>

<p><b>Innovate Career Services:</b></p>	<ul style="list-style-type: none"> <li>• Develop new career service offerings, such as industry certifications, entrepreneurship support, and startup incubation.</li> <li>• Provide students with access to digital resources and platforms for self-assessment, skill development, and career planning.</li> </ul>	<ul style="list-style-type: none"> <li>• Entrepreneurship Development Cell is in place to provide resources, mentorship and funding opportunities for student startups.</li> <li>• Will be organizing regular workshops and webinars to help students navigate these digital resources and make the most of the available tools.</li> </ul>
<p><b>Enhance Internship Opportunities:</b></p>	<ul style="list-style-type: none"> <li>• Strengthen partnerships with companies to increase the availability and diversity of internship opportunities.</li> <li>• Implement a mentorship program within the internship framework, ensuring students receive guidance and support from industry professionals.</li> </ul>	<ul style="list-style-type: none"> <li>• Will be introducing flexible internship programs, allowing students to gain experience in different sectors and roles throughout their studies.</li> <li>• Regularly monitoring mentorship program to ensure that students benefit from personalized advice and career insights.</li> </ul>
<p><b>Leverage Alumni Relations:</b></p>	<ul style="list-style-type: none"> <li>• Formalize alumni mentorship programs, offering regular interaction and support for current students.</li> <li>• Expand the alumni network to include international alumni, facilitating global networking and job placement.</li> </ul>	<ul style="list-style-type: none"> <li>• Will be organizing regular mentorship sessions, including one-on-one meetings, group discussions, and career workshops led by alumni.</li> <li>• Will be organizing international alumni meetups and virtual networking events to connect current students with global alumni.</li> </ul>
<p><b>Focus on Data-Driven Placement Strategies:</b></p>	<ul style="list-style-type: none"> <li>• Utilize data analytics to assess placement trends, student</li> </ul>	<ul style="list-style-type: none"> <li>• Regularly reviewing data insights to refine placement strategies and career services,</li> </ul>

	<p>preferences, and industry demands.</p> <ul style="list-style-type: none"> <li>• Use insights from this data to tailor placement strategies, career services, and training programs to better meet student and industry needs.</li> </ul>	<p>ensuring alignment with student aspirations and market needs.</p> <ul style="list-style-type: none"> <li>• Tailoring training programs to address specific industry needs, enhancing students' employability and career readiness.</li> </ul>
<p><b>Department of Animation &amp; Graphic Designing</b></p>	<ul style="list-style-type: none"> <li>• Support faculty in obtaining industry certifications and participating in international research collaborations.</li> <li>• Facilitate faculty exchange programs and joint research projects with other institutions.</li> <li>• Increase opportunities for students to showcase their work through exhibitions, festivals, and industry competitions.</li> <li>• Explore partnerships with technology providers for access to the latest software and hardware innovations.</li> <li>• Expand the network of industry partners to include a wider range of companies and creative agencies.</li> <li>• Develop collaborative research projects and industry-driven initiatives that provide practical experience for students.</li> </ul>	<ul style="list-style-type: none"> <li>• Will be launching a faculty development program that focuses on building industry-relevant skills and fostering global research partnerships.</li> <li>• Encouraging faculty members to participate in joint research projects with peers from other institutions.</li> <li>• Will be supporting student participation in national and international industry competitions, offering mentorship and financial assistance for entry fees and travel.</li> <li>• Will be establishing partnerships with leading technology companies to provide students and faculty with access to the latest software and hardware tools.</li> <li>• Will be broadening the institution's industry partner network by engaging with companies and creative agencies across diverse sectors, including technology, media, and design.</li> <li>• Introduction of collaborative research projects that involve</li> </ul>

		<p>students working alongside industry professionals on real-world challenges is in consideration.</p>
<p><b>Department of Computer Science</b></p>	<ul style="list-style-type: none"> <li>• Further innovate the curriculum to include advanced topics such as quantum computing, advanced machine learning algorithms, and IoT (Internet of Things).</li> <li>• Support faculty in pursuing advanced research projects and collaborations with leading technology firms and research institutions.</li> <li>• Enhance faculty development programs by offering more opportunities for international exchange and industry engagement.</li> <li>• Increase student participation in industry-driven research projects, hackathons, and coding challenges.</li> <li>• Provide additional career services, including resume workshops, interview preparation, and job placement assistance.</li> <li>• Continue investing in cutting-edge technology and infrastructure to support advanced learning and research activities.</li> <li>• Explore partnerships with technology providers for access to</li> </ul>	<ul style="list-style-type: none"> <li>• Certificate Course in Advanced Python for Data Analysis and Certificate Course in Robotics are in consideration.</li> <li>• Research Cell is into identifying external funding opportunities for high-impact research.</li> <li>• Will be organizing workshops and seminars focused on industry trends, global research collaborations, and emerging academic disciplines.</li> <li>• Will be providing mentoring and resources to support student teams participating in national and international competitions.</li> <li>• Will be expanding career services to include regular resume workshops and interview preparation sessions.</li> <li>• Regularly reviewing and updating technology infrastructure to keep pace with advancements in the field and support innovative teaching.</li> <li>• Will be organizing training sessions and workshops to help students and faculty maximize the use of</li> </ul>

	<p>the latest tools and software.</p> <ul style="list-style-type: none"> <li>• Strengthen existing industry collaborations and seek new partnerships to enhance internship opportunities and industry-relevant projects.</li> <li>• Organize regular industry engagement activities, including workshops, panel discussions, and networking events.</li> </ul>	<p>tools in their academic and research endeavors.</p> <ul style="list-style-type: none"> <li>• Will be reinforcing existing partnerships with industry leaders, focusing on expanding internship opportunities and collaborative projects that benefit both students and companies.</li> <li>• Will host guest speakers from various industries to share insights and experiences, fostering a deeper understanding of industry trends and challenges.</li> </ul>
<p><b>Department of Commerce</b></p>	<ul style="list-style-type: none"> <li>• Further innovate the curriculum to include emerging topics such as sustainable business practices and digital transformation.</li> <li>• Support faculty in pursuing advanced research and professional development, including opportunities for international collaborations and industry certifications.</li> <li>• Enhance faculty exchange programs and collaborative research projects with other academic and industry partners.</li> <li>• Increase student involvement in real-world projects, business simulations, and industry research initiatives.</li> </ul>	<ul style="list-style-type: none"> <li>• Certificate Course in Research Methodology, Certificate Course in Legal Contract Drafting and Certificate Course in International Financial Reporting Standards are in consideration.</li> <li>• Encouraging faculty to participate in professional development programs that enhance their expertise in emerging fields and improve their teaching effectiveness.</li> <li>• Will be expanding faculty exchange programs to include more opportunities for collaboration with both academic and industry partners.</li> <li>• Will be organizing competitions and challenges that simulate real-world business environments, encouraging students to</li> </ul>

	<ul style="list-style-type: none"> <li>• Provide additional career services, including personalized career counselling, job placement support, and networking opportunities.</li> <li>• Continue investing in state-of-the-art technology and resources to support modern business education and research activities.</li> <li>• Explore partnerships with technology providers for access to the latest business tools and software.</li> <li>• Strengthen existing industry partnerships and seek new collaborations with a diverse range of business sectors.</li> <li>• Organize regular industry-focused events, such as workshops, panel discussions, and networking sessions, to enhance student learning and career prospects.</li> </ul>	<p>apply their knowledge in practical settings.</p> <ul style="list-style-type: none"> <li>• Will be implementing a career mentorship program that pairs students with industry veterans.</li> <li>• Will regularly assess technology to ensure that students and faculty have access to the tools necessary for cutting-edge business education.</li> <li>• Will be providing training sessions and workshops to help students and faculty effectively utilize these tools in their academic and research activities.</li> <li>• Planning to organize industry-specific events to explore new partnership opportunities and expand the network of industry collaborators.</li> </ul>
