Report

The minutes of the previous meeting were reviewed and unanimously approved by the members present. The committee discussed various scholarships available to SC and ST students. Information on different scholarship opportunities, including eligibility criteria and application processes, was shared among the members. Student feedback on existing scholarship programs and the application process was reviewed. Key areas for improvement were identified. The meeting also covered additional topics raised by committee members, aimed at improving the dissemination of information and overall support for SC/ST students.

The meeting concluded with an agreement to share detailed information about various scholarships with SC/ST students. Efforts will be made to streamline the communication process and ensure students have easy access to necessary information.

Action Taken :

1. Share comprehensive details of available scholarships with SC/ST students.
2. Address any issues identified through student feedback to improve the scholarship application process.
3. Continue to improve the overall support system for SC/ST students.
