### Report on Pothichoru - Reaching the Needy

<b>Program</b>	'Pothichoru' Reaching the Needy
<b>Date</b>	15 September 2023
<b>Beneficiaries</b>	20 underprivileged members of the society
<b>Outcome</b>	Addressed food insecurity and hunger within the community surrounding Rajagiri College
<b>Organized by</b>	Department of English
<b>Faculty in-charge</b>	Ms. Sai Parvathi I R
<b>Students in-charge</b>	Hil Jean

'Hastah', the CSR initiative of the Department of English in association with NSS, launched its activities for the academic year 23-24 with the distribution of 'Pothichoru' *Reaching the Needy* on 15 September 2023.

The Department of English at Rajagiri College, in collaboration with the National Service Scheme (NSS), has launched the Campus Social Responsibility (CSR) initiative "Hastah." The programme officially kicked off for the academic year on September 15th, 2023, with a project titled "Pothichoru: Reaching the Needy." This project focuses on distributing food packets to those in need within the local community.

"Pothichoru: Reaching the Needy" aims to address food insecurity and hunger within the community surrounding Rajagiri College. By providing nutritious and convenient food packets, the project seeks to alleviate immediate hunger pangs and offer a helping hand to those who may be struggling to meet their basic needs. The initiative fosters a sense of social responsibility among students and faculty, encouraging them to engage in active citizenship and contribute to the well-being of their community.

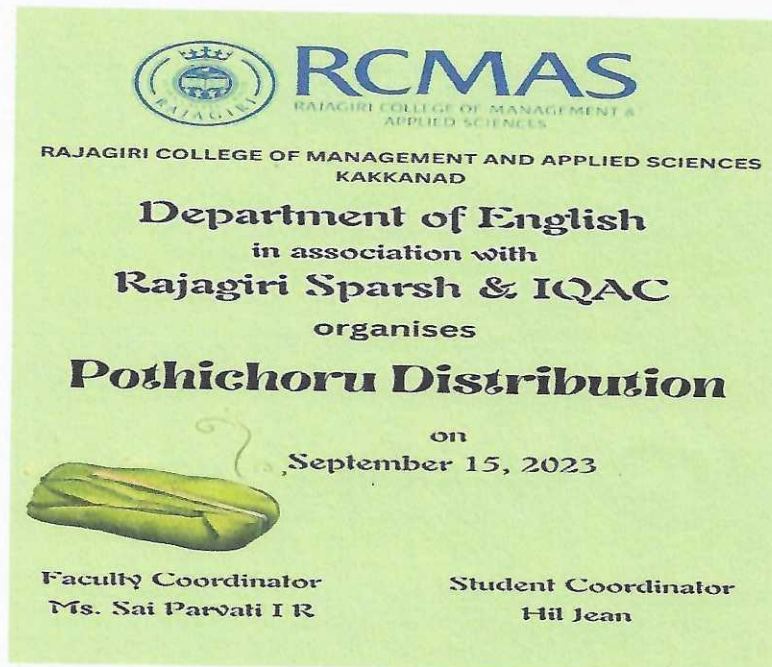

This collaborative effort between the Department of English and NSS not only provides tangible support to those in need but also creates valuable learning

## Report on Empowering Literacy Library Book Donation to SVLP School, Thripunithura

<b>Programme</b>	Empowering Literacy- Library Book Donation to SVLP School, Thripunithura
<b>Date</b>	26 September 2023
<b>Beneficiaries</b>	Staff and Students of SVLP School, Tripunithura
<b>Outcome</b>	The event enhanced the library's resources and made a variety of educational materials accessible to all students.
<b>Organized by</b>	Department of Commerce
<b>Faculty in charge</b>	Ms. Merleena Antony
<b>Student in charge</b>	Ms. Remi Reji

On the 26th of September, 2023, the students of Commerce, Model 2 Computer Applications organized a significant campus social responsibility event focused on the donation of books to the campus library. This initiative was spearheaded by Ms. Merleena Antony, the esteemed faculty coordinator, who provided invaluable guidance and support throughout the planning and execution of the event.

The primary objective of this event was to enhance the library's resources and make a variety of educational materials accessible to all students. Recognizing the vital role that libraries play in academic success and personal growth, the students collected a diverse range of books covering different genres and subjects. The success of the library book donation event was due to the collective efforts of the students of Commerce and the guidance of Ms. Merleena Antony. Special thanks are also extended to all those who contributed books and supported the initiative.

The impact of the library book donation event extended beyond just adding to the library collection. It fostered a sense of community among the students,

## Report on Pothichoru - Reaching the Needy

<b>Program</b>	'Pothichoru' Reaching the Needy
<b>Date</b>	31 October 2023
<b>Beneficiaries</b>	20 underprivileged members of the society
<b>Outcome</b>	Addressed food insecurity and hunger within the community surrounding Rajagiri College
<b>Organized by</b>	Department of English
<b>Faculty in-charge</b>	Ms. Neha Anne Varughese
<b>Students in-charge</b>	Mr. Gokul Muraleedharan

On 31 October 2023, the spirit of social responsibility resonated through the halls of the English department as first-year students organized a successful second "Pothichoru" initiative. This student-driven program aimed to cultivate a sense of community engagement and social awareness among their peers.

The Pothichoru initiative involved first-year English students actively participating in the preparation and distribution of food packets for those less fortunate. The experience provided them with a valuable opportunity to witness firsthand the challenges faced by the underprivileged. Witnessing these hardships in reality not only fostered empathy but also encouraged them to consider their role in giving back to the community.

Engaging in such an initiative during their first year sets a positive tone for the rest of their academic journey. The act of service cultivates a spirit of social responsibility that can extend far beyond their college years. By taking an active role in the CSR activity, the first-year English students were able to set a powerful example, inspiring their peers to become lifelong advocates for social justice and active contributors to a more equitable society.

<b>Programme</b>	Infant care initiative -Baby essentials distribution at Snehajyothi Sisubhavan Pulluvazhy
<b>Date</b>	15 January 2024
<b>Beneficiaries</b>	Inmates of Snehajyothi Shishu Bhavan, Pulluvazhi
<b>Outcome</b>	Enhanced the quality of life and comfort for the children at Snehajyothi Shishu Bhavan
<b>Organized by</b>	Department of Commerce
<b>Faculty in charge</b>	Ms. Veena Renjini, Ms. Diana Joseph
<b>Student in charge</b>	Mr. Kevin Biju & Mr. John Saju

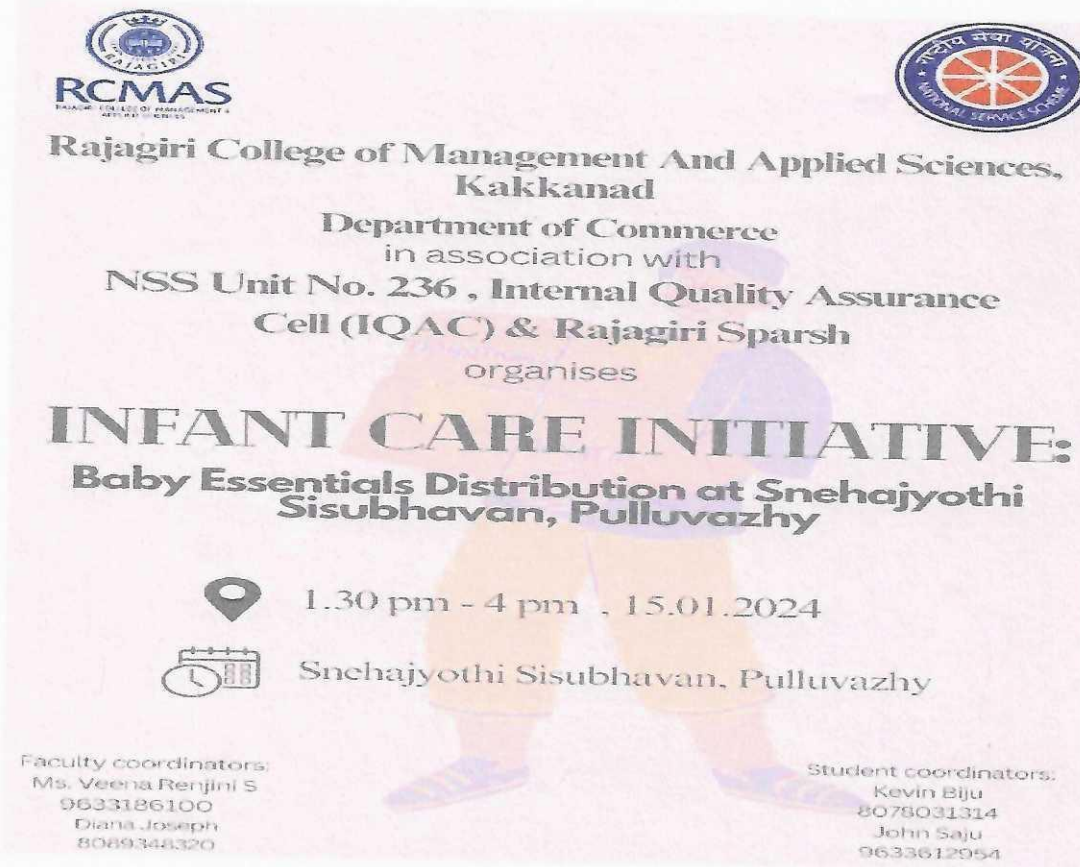

The "Infant care initiative" event yielded positive outcomes, with the beneficiaries receiving much-needed support and assistance. The provision of essential baby products contributed to enhancing the quality of life and comfort for the children at Snehajyothi Sisu Bhavan. The efforts of all involved, including volunteers, organizers, and donors, resulted in a meaningful impact on the community. A variety of baby products were supplied, including diapers, baby food, clothing, toys, and hygiene items. These essential supplies were meticulously organized and distributed to the beneficiaries at Snehajyothi Sisu Bhavan.

The distribution process was conducted with care and compassion, prioritizing the needs of the children and infants residing in the institution. "Childhood Blooms" exemplified the spirit of compassion and generosity within the Department of Commerce. The collaborative efforts of Ms. Veena Ranjini, Kevin Biju, John Saju, and other volunteers underscored the commitment to serving the community and supporting the welfare of vulnerable children. The event served as a reminder of the importance of collective action in making a positive difference in the lives of others.

## Report On Child Safety Advocacy: Digital Literacy and Sexual Harassment Awareness to Children of Migrant Workers of Kalamassery, Ernakulam

<b>Programme</b>	Child Safety Advocacy: Digital Literacy and Sexual Harassment Awareness to Children of migrant workers of Kalamassery, Ernakulam
<b>Date</b>	20 January 2024
<b>Beneficiaries</b>	Children of Migrant Workers
<b>Outcome</b>	Inculcated digital literacy and education about sexual harassment among children of migrant workers.
<b>Organized by</b>	Department of Commerce
<b>Faculty in charge</b>	Ms. Anupa Stanly
<b>Student in charge</b>	Mr. Joseph Thomas

The primary aim of the "Uplifting the Children of Migrant Workers - KIRANAM" program held on the 20th of January 2024 was to inculcate digital literacy and education about sexual harassment among children of migrant workers. Recognizing the importance of these two critical aspects, the program aimed to empower the children with knowledge and skills that are essential for their safety, well-being, and future success.

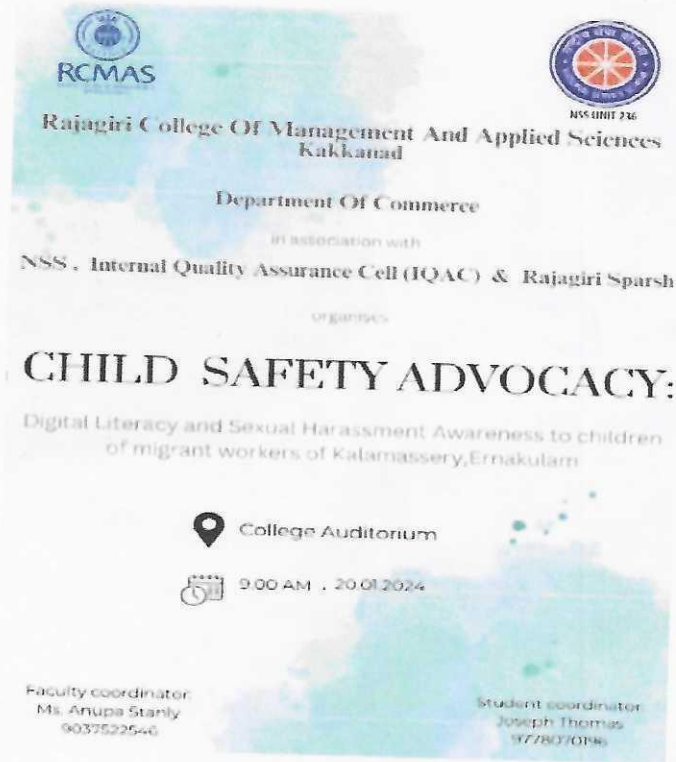

Children showed enthusiasm and interest in learning about digital literacy and sexual harassment awareness, while parents expressed appreciation for the valuable knowledge and skills imparted to their children. The "Uplifting the Children of Migrant Workers - KIRANAM" program successfully achieved its aim of inculcating digital literacy and education about sexual harassment among children of migrant workers. By equipping them with essential knowledge and skills, the program contributed to their safety, empowerment, and overall well-being.

**WORDS**

It is with great pleasure and honor that I extend my warmest congratulations to our colleagues involved in the successful organization of the KIRANAM event. This initiative, aimed at uplifting the children of migrant workers, is a commendable endeavor that reflects the spirit of compassion, empathy, and community support.

I extend my heartfelt congratulations to Rajagiri College of Management and Applied Sciences (RCMAS), Commerce Department, and NIS unit for conceptualizing and executing this noble project as part of their Corporate Social Responsibility study. Your dedication and commitment to making a positive difference in the lives of those less fortunate exemplify the true essence of social responsibility and civic engagement.

The KIRANAM event not only provides essential support and assistance to the children of migrant workers but also serves as a platform for fostering inclusivity, empowerment, and equal opportunities for all members of society. By investing in the education, well-being, and future prospects of these children, you are paving the way for a brighter and more equitable future for our communities.

Incorporating digital literacy and education about sexual harassment into the curriculum not only prepares students for the challenges of the digital age but also equips them with the tools they need to navigate social interactions respectfully and responsibly. By addressing these topics proactively in education, we can create safer, more inclusive learning environments and empower students to become responsible digital citizens and advocates for change.

Let us reaffirm our commitment to continue supporting initiatives that promote social justice, equality, and human dignity. Together, we can create a more inclusive and compassionate society where every individual has the opportunity to thrive and succeed.

I commend each and every one of you for your tireless efforts and dedication towards making a positive impact in the lives of others. Your contributions truly make a difference and serve as an inspiration to us all. I wish you continued success in all your future endeavors aimed at serving the community and uplifting those in need.

<b>Date</b>	16 October 2023
<b>Beneficiaries</b>	Public in and around Kakkanad Collectorate premises
<b>Outcome</b>	It aimed to inculcate practice of reducing plastic carry bag usage by replacing it with cloth carry bags among the local community
<b>Organized by</b>	Department of Commerce
<b>Faculty in charge</b>	Ms.Vinitha Varghese
<b>Student in charge</b>	Ms. Muhammed Shajir T P & Mr. Muhammed Naufal

Students of Model 2 logistics conducted an awareness campaign under the banner "ECOLOGIX" in Thrikkakara. The campaign aimed to raise awareness about proper waste disposal practices among the local community. As part of the initiative, students distributed pamphlets containing information on waste management techniques, recycling, and the importance of environmental conservation. Through interactive discussions and informative sessions, students engaged with residents to educate them on the impact of improper waste disposal on the environment and public health.

The campaign received positive feedback from the community, with many expressing interest in adopting eco-friendly practices in their daily lives. Overall, the ECOLOGIX awareness campaign proved to be an effective means of promoting environmental consciousness and encouraging responsible waste management practices among the residents of Thrikkakara.

Caring for the street- dwelling public: lunch packet distribution in Palarivattom and Edappally." A Meal Shared, A Heart Cared" is a community initiative organized by the Department of Commerce, aiming to promote solidarity and compassion by sharing meals with the less fortunate members of society. The program emphasizes the importance of empathy and kindness in fostering a sense of belonging and support within the community. The concept of Caring for the street revolves around the idea that a shared meal not only satisfies hunger but also nourishes the soul and strengthens bonds of friendship and solidarity.

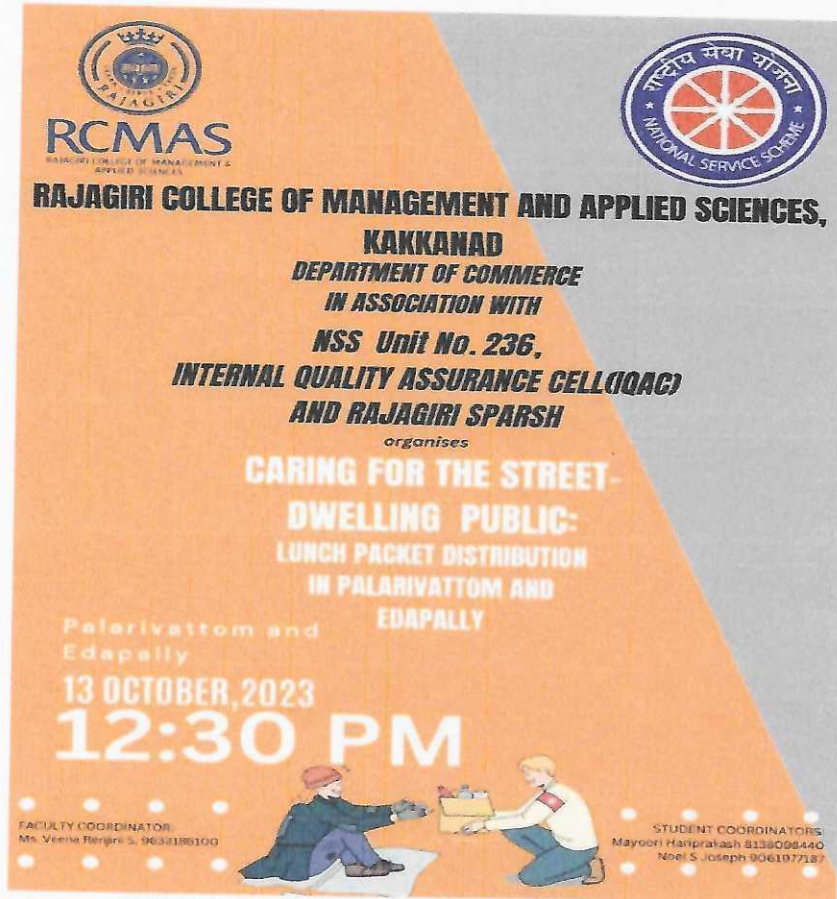

By sharing meals with those in need, participants demonstrate their willingness to extend a helping hand and show compassion towards fellow members of society. The caring for the street event took place on the 13th of October 2023, where volunteers from the Department of Commerce prepared and distributed meals to marginalized communities and individuals facing food insecurity in the local area.

<b>Student in charge</b>	Mr.Aivin Binu & Mr. Midhulaj VJ

The "TECH LEARN" program was conducted on the 9th of February 2024 at LP School, Irumpanam. It is an educational initiative aimed at equipping students with basic computer skills to enhance their digital literacy and prepare them for the technological demands of the modern world. The program seeks to bridge the digital divide and empower students with essential knowledge and skills for success in academics and beyond. It successfully achieved its objective of imparting basic computer skills to the students of LPS Irumpanam. The program not only enhanced students' digital literacy but also contributed to their overall educational development and empowerment.

The program covered fundamental computer skills such as basic hardware components, operating system navigation, word processing, and internet safety. Experienced instructors and volunteers worked closely with students, providing personalized guidance and ensuring that each participant gained practical experience. The interactive nature of the sessions, which included engaging activities

<b>Student in charge</b>	Mr.Steve George & Ms.Jeeva B

The Flipbook Workshop for Small Boys, organized by the Department of Animation and Graphic Design, took place on October 11, 2023, in the 2D Lab. This engaging and creatively stimulating one-day event was tailored specifically for young boys eager to explore the world of animation. A total of 33 students participated, including 24 students from St. Joseph's Boys Home, Koonammavu, and 9 students from the Parent Department.

Participants learned the basics of drawing, storytelling, and the principles of animation, guided by experienced instructors who made the sessions interactive and accessible. Through hands-on activities, the boys created their own flipbooks, bringing their imaginative stories to life one frame at a time. The workshop also included group activities that encourage teamwork and collaboration, allowing the young animators to share ideas and inspire one another.

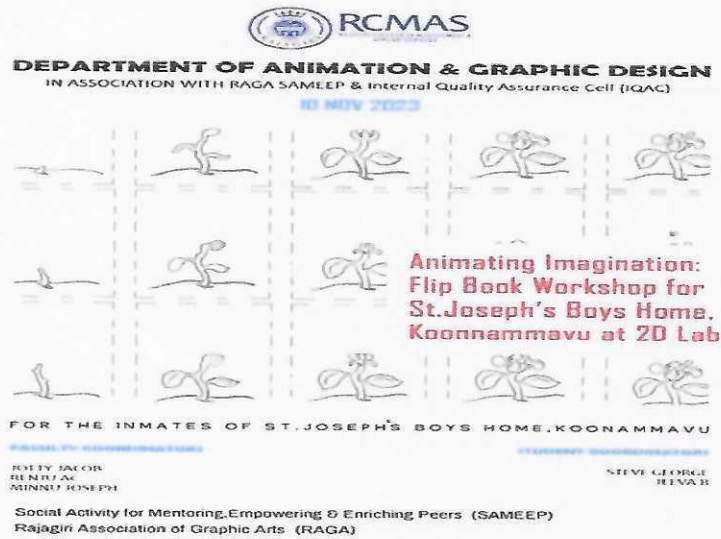

In addition to fostering creativity, the workshop aimed to develop fine motor skills and an understanding of sequential art. The day concluded with a showcase where

## Report On Creative Recycling: Plastic Bottle Installation

<b>Programme</b>	Creative Recycling:Throb Of Life (Plastic Bottle Installation)
<b>Date</b>	12 December,2023 - 1 January, 2024
<b>No. of Participants</b>	14
<b>Outcome</b>	This installation, made entirely of recycled plastic bottles, served as a striking visual centerpiece and reinforced the department's commitment to eco-friendly practices, inspiring both participants and attendees to consider the impact of their actions on the environment.
<b>Organized by</b>	Department of Animation and Graphic Design
<b>Faculty in charge</b>	Ms.Sreelakshmi K S & Ms. Minnu S Kumar
<b>Student in charge</b>	Ms. Drishya Sasikumar & Ms. Anet Varghese

The "Throb of Life" event, organized by the Department of Animation and Graphic Design, showcased the remarkable talents of undergraduate and postgraduate students in crafting an awe-inspiring art installation. Held as part of the 40th Cochin Flower Show at Marine Drive, the event captivated audiences with its innovative approach and creative vision. From December 12th to January 1st, 2024, visitors to the exhibition were treated to a mesmerizing display of artistic expression, blending elements of animation and graphic design with the natural beauty of the surroundings.

The art installation, a collaborative effort by students of the department, stood out amidst the vibrant flora of the Cochin Flower Show. Its intricate design and attention to detail drew praise from both spectators and judges alike. Showing the mesmerizing rhythm of life, the installation captured the essence of growth, renewal, and interconnectedness. Through a fusion of digital animation and traditional

artistry, the installation conveyed a powerful message about the symbiotic relationship between nature and human creativity.

Earning the prestigious second position in the competition, the art installation by the Department of Animation and Graphic Design showcased the exceptional talent and dedication of its students. Their achievement not only reflects their artistic prowess but also highlights the importance of interdisciplinary collaboration in the realm of creative expression. As the event concluded, it left a lasting impression on all who witnessed it, serving as an evidence to the enduring impact of art in enriching our lives and connecting us to the world around us.

## Report On Ghibli Matsuri Workshop

<b>Programme</b>	Ghibli Matsuri Workshop
<b>Date</b>	04 - 06 December, 2023
<b>No. of Participants</b>	15
<b>Outcome</b>	Participants in a Ghibli movie workshop gain insights into animation techniques, storytelling, and create Ghibli-inspired artwork
<b>Organized by</b>	Department of Animation & Graphic Design
<b>Faculty in charge</b>	Ms. Minnu Joseph & Mr. Renju AC
<b>Student in charge</b>	Ms. Aan Anna Anto & Mr. Steve George

The Ghibli Film Festival Project was an exciting and engaging opportunity for students to plan, prepare and present a festival of films by Studio Ghibli, an acclaimed Japanese animation film studio that was founded in 1985 by animators and directors Miyazaki Hayao and Takahata Isao and producer Suzuki Toshio. Studio Ghibli is known for the high quality of its filmmaking and its artistry.

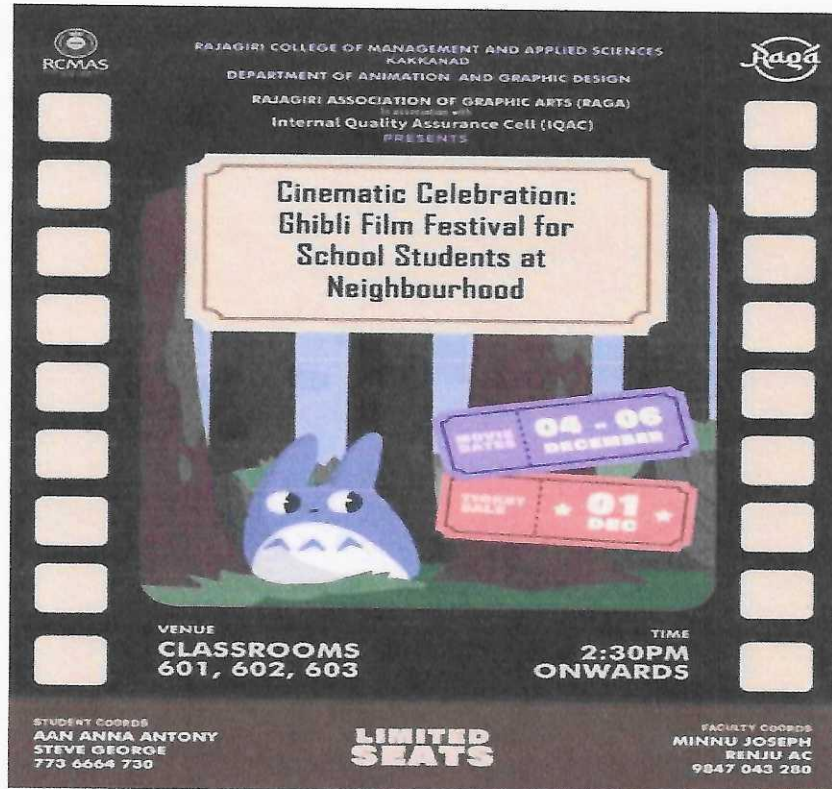

In October 2024, Rajagiri College hosted an exciting dual event combining a Film Festival and an Animation Workshop, tailored for students aged 15 to 25. The Film Festival, held from October 16 to 20, took place in rooms 601, 602, and 603, providing a five-day immersion into the world of cinema for both higher secondary school students and Rajagiri College attendees. Following this, from December 04 - 06, a specialized Animation Workshop was conducted in the Conference Room. This three-day workshop aimed to provide hands-on experience and insights into the field of animation. The organizers secured a notable guest for the workshop: Suresh Eriyat, a renowned 2D animator and the director of Eksaurus. Eriyat's participation offered participants valuable industry perspectives and expertise. This comprehensive programme not only catered to film enthusiasts but also provided a

Kottapuram Integrated Development Society (KIDS), which is the official organ for Social Action of Diocese of Kottapuram got established in 1987 simultaneously with the formation of the Diocese of Kottapuram. Ever since inception the society has been striving hard for the total development of the community, especially the poor and marginalized by integrating all the elements and resources of the community. The Natural Fibre sector is one of the most important sectors of KIDS by developing value-added products from screw pine and water hyacinth craft. KIDS acts as a catalyst for promoting the market for these products.

The Natural Fibre Emporium which is offered by the Ministry of Textiles recognizing the commendable works of KIDS in the field of Natural Fibre is the main outlet for the products made by the artisans. The Department of Animation & Graphic Design in association with NSS Unit No: 236 have taken the initiative to collaborate with Gaya for a workshop for the Kudumbasree community & for the students in the department for further Product Designing after experiencing the textures & flexibility of dried weaved screw pine.

## Report On Community Restoration: Karuthal Phase 1 Initiative in Thallumkandam Tribal Community Hall

<b>Programme</b>	Community Restoration: Karuthal Phase 1 Initiative in Thallumkandam Tribal Community Hall
<b>Date</b>	3 February 2024
<b>No. of Participants</b>	Idamalayar Tribal Community
<b>Outcome</b>	Renovated the tribal community hall thereby it reflected commitment to empowering marginalized communities and promoted inclusive development
<b>Organized by</b>	Department of Computer Science
<b>Faculty in charge</b>	Mr. Sijo Jacob & Ms. Annu James
<b>Student in charge</b>	Mr. Leo Paul & Mr. Joseph Sebastian

The "KARUTHAL" project aims to renovate the tribal community hall located in Idamalayar, with the collaborative efforts of the Department of Computer Science, IQAC, and NSS Unit. The initiative seeks to enhance the infrastructure and facilities of the community hall to better serve the needs of the tribal community.

The "KARUTHAL" project successfully revitalized the tribal community hall, providing an enhanced space for gatherings, meetings, and cultural activities and improved infrastructure and facilities contribute to the overall well-being and socio-cultural development of the Idamalayar tribal community. The renovation of the tribal community hall through the "KARUTHAL" project reflects our commitment to empowering marginalized communities and promoting inclusive development.

The renovated community hall now serves as a symbol of progress and inclusivity, offering the Idamalayar tribal community a dignified space for their social, cultural, and developmental activities. This project exemplifies how targeted interventions

## Report on Karuthal Phase 2 Community Revitalization

<b>Programme</b>	Continued Engagement: Karuthal Phase 2 Community Revitalization at Thallumkandam Uuru Vidhya kendram
<b>Date</b>	17 February 2024
<b>Beneficiaries</b>	40
<b>Outcome</b>	The renovation of the Uuru Vidhya Kendram and Community Hall in Thalumkandam Tribal Colony has improved the spaces' looks and functionality to better support education and community life.
<b>Organized by</b>	Department of Computer Science in association with IQAC and NSS Unit
<b>Faculty in charge</b>	Mr. Sijo Jacob & Ms Annu James
<b>Student in charge</b>	Mr. Leo Paul & Mr. Joseph Sebastian

The Uuru Vidhya Kendram and Community Hall in Thalumkandam Tribal Colony recently completed a successful renovation project that included painting and cleaning. As a result, these areas now have improved looks and cleanliness, creating a better environment for educational and community events. These changes aim to support activities that benefit both education and community life.

The renovation efforts have significantly enhanced the infrastructure of these spaces, which is a considerable advantage for the tribal community. This upgrade promotes a welcoming atmosphere that encourages participation in educational programs and strengthens community ties. Such improvements highlight the collective commitment to enhancing local facilities. Under the leadership of the Department of Computer Science, this initiative underscores a collaborative approach to community development. By revitalizing these spaces, the project not only improves their functionality but also encourages social interaction within the tribal colony. It serves as a testament to the joint efforts aimed at creating more supportive environments

## Report On Local Health Initiative: Hridyathalam-Blood Pressure Monitoring at Neighbourhood (Rajagiri Valley)

<b>Programme</b>	Local Health Initiative: Hridyathalam-Blood Pressure Monitoring at Neighbourhood (Rajagiri Valley)
<b>Date</b>	29 September 2023
<b>Beneficiaries</b>	Neighbourhood of RCMAS
<b>Outcome</b>	Made people aware about heart issues and how it could be prevented. Also made people promote healthy lifestyle choices.
<b>Organized by</b>	Department of Computer Science
<b>Faculty in charge</b>	Ms. Nileena Sasidharan
<b>Student in charge</b>	Mr. James George & Mr. Albin Jose

As a part of the outreach programme on world heart day, 29th September 2023, the department conducted an awareness campaign among the neighborhood to spread knowledge about heart issues and how it could be prevented. The Department of Computer Science at Rajagiri College embarked on a meaningful initiative as part of the outreach program on World Heart Day, observed on September 29, 2023. Through an impactful awareness campaign, the department aspired to educate and empower the local community about heart issues and preventive measures.

The awareness campaign was planned to disseminate vital information about heart health and promote healthy lifestyle choices. Volunteers from the department interacted with residents in the neighborhood, conducting informative sessions, distributing pamphlets, and raising awareness about the importance of cardiovascular wellness.

The purpose of the campaign extended beyond mere dissemination of facts; it was designed to inspire individuals to take proactive steps towards maintaining a healthy heart. Participants learned about risk factors, early warning signs, and practical strategies for heart disease prevention through interactive workshops and

discussions. The campaign also accentuated the significance of regular health screenings, physical activity, balanced nutrition, and stress management in maintaining optimal heart health. Participants were encouraged to prioritize their well-being and make informed decisions for a healthier future. Moreover, the outreach program inculcated a sense of community involvement, solidarity, and shared responsibility towards health promotion. It brought together individuals from diverse backgrounds, united by a common goal of prioritizing heart health and wellbeing. This initiative served as a testament to the Department's devotion to holistic education and community engagement, showcasing its commitment. By spreading awareness and empowering individuals with knowledge, the department contributes to building a healthier and happier society. As we commemorate World Heart Day, let us renew our dedication to cardiovascular health and encourage others to join us in taking proactive measures towards a heart-healthy lifestyle. The Department looks forward to organizing more such impactful initiatives that promote well-being, awareness, and community participation in the future.

## Report on Improving Community Health: Eye Care Medical Camp Kadayiruppu

<b>Programme</b>	Improving Community Health: Eye Care Medical Camp Kadayiruppu
<b>Date</b>	23 December 2023
<b>Beneficiaries</b>	Local community of Kadayiruppu
<b>Outcome</b>	Promoted eye health and well being in the local community
<b>Organized by</b>	Department of Computer science
<b>Faculty in charge</b>	Mr. Sijo Jacob & Ms. Aneesha K James
<b>Student in charge</b>	Ms. Hanna Maria Benny & Mr. Hrishikesh Gopal

The Eye Care Medical Camp organized by the Department of Computer Science underscored the importance of community-based healthcare initiatives in addressing the eye care needs of underserved populations. By providing accessible and comprehensive eye care services, the camp contributed to promoting eye health and well-being in the local community. The camp facilitated early detection and treatment of eye conditions, contributing to improved eye health outcomes and quality of life for participants.

Residents of Kadayiruppu who may have limited access to eye care services benefited from the camp's provision of free eye examinations and eyeglasses. The educational sessions provided valuable information about maintaining eye health and seeking timely medical attention for eye-related concerns, empowering participants to take proactive steps towards preserving their vision.

## Report on Educational Support: 'Aasha Kiranam' Initiative for Tribal School Students at Govt.UP School, Idamalayar

<b>Programme</b>	Educational support: 'Aasha Kiranam' Initiative for Tribal School students at Govt.UP School Idamalayar
<b>Date</b>	17 February 2024
<b>Beneficiaries</b>	U.P.School, Idamalayar
<b>Outcome</b>	Ashakiranam significantly improved the educational infrastructure of U.P. School in Idamalayar by providing essential resources like library books, fans, doors, tube lights, and a water tank.
<b>Organized by</b>	Nature Club/Haritha Karma Sena in association with NSS Unit no 236
<b>Faculty in charge</b>	Ms. Annu James, Ms. Diana Joseph
<b>Student in charge</b>	Ms. Fiza P Farooq, Mr. Joseph Sebastian

On February 17, 2024, the Department of Computer Science played a pivotal role in improving the educational infrastructure of U.P. School in Idamalayar by providing vital resources. These resources encompassed a diverse range, including the provision of library books, installation of four fans for better ventilation, and the fitting of four doors to enhance security and privacy within the premises. Additionally, the inclusion of tube lights illuminated the learning spaces, ensuring conducive environments for studying even during dimly lit hours. Furthermore, the installation of a tank addressed water supply needs, essential for daily operations and sanitation. Such comprehensive support not only elevates the physical infrastructure but also significantly enriches the overall educational experience for both students and faculty, fostering a conducive atmosphere for learning and growth within the school community. This initiative reflects a commitment to advancing education and underscores the Department's dedication to societal development and empowerment.

## Report on Planting a Sapling

<b>Programme</b>	Planting a Sapling
<b>Date</b>	5 June 2023
<b>Beneficiaries</b>	Students, Community, Teachers
<b>Outcome</b>	The NSS's World Environment Day sapling planting activity raised environmental awareness, fostered community spirit, and symbolized a collective commitment to a greener future.
<b>Organized by</b>	NSS Unit No:236
<b>Faculty in charge</b>	Dr. Chandralal V S, Ms. Hitha P.S
<b>Student in charge</b>	Mr. Navaneeth K R, Ms. Neha Jerson

On World Environment Day, our college witnessed a significant initiative organized by the NSS (National Service Scheme) to promote environmental conservation and awareness. The activity involved the collective effort of students, community members, and teachers in planting a sapling as a symbolic gesture towards sustainable development. The planting of a sapling on World Environment Day exemplifies the transformative impact that grassroots initiatives can have in fostering environmental consciousness and driving positive change. By bringing together students, community members, and teachers in a shared endeavor, the NSS reaffirms its dedication to promoting environmental sustainability and nurturing a greener, healthier planet for future generations.

The sapling planting activity served as a powerful symbol of collective responsibility and commitment towards environmental conservation and raised awareness about the importance of preserving natural ecosystems and mitigating environmental degradation. It Fostered a sense of community pride and stewardship, inspiring ongoing efforts to promote sustainable practices and protect the environment.

## Report on THALIR

<b>Programme</b>	THALIR
<b>Date</b>	5 June 2023
<b>No. of Participants</b>	Students
<b>Outcome</b>	The College Green Initiative Committee's tree planting initiative, in collaboration with local organizations, engaged students and staff in beautifying the campus, promoting environmental awareness, and combating climate change
<b>Organized by</b>	NSS Unit No:236
<b>Faculty in charge</b>	Dr. Chandralal V S, Ms. Hitha P S
<b>Student in charge</b>	Mr. Navaneeth K R, Ms. Neha Jerson

The initiative to plant saplings within our college campus is a proactive step towards enhancing environmental sustainability and fostering a greener community. Over the past month, the College Green Initiative Committee, in collaboration with local environmental organizations, has meticulously planned and executed a series of planting events across various locations on campus. These efforts align with our college's commitment to environmental stewardship and serve as a practical manifestation of our dedication to combating climate change through tangible actions.

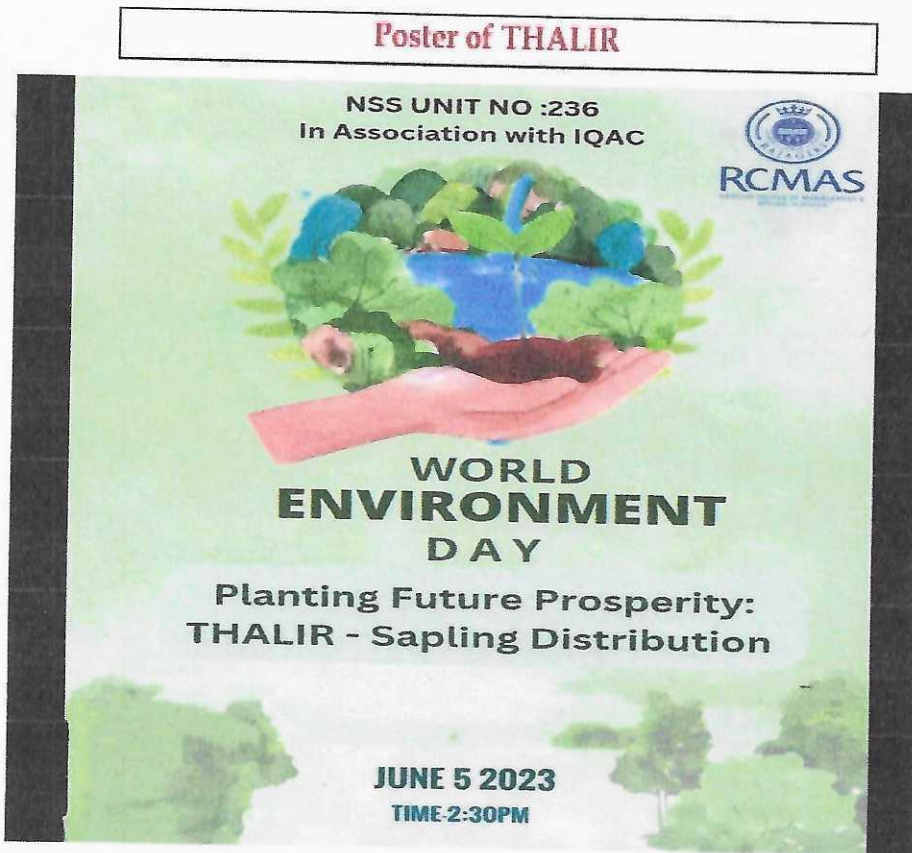

The involvement of students, faculty, and staff in these activities has been remarkable, reflecting a shared enthusiasm for environmental preservation. Beyond the immediate aesthetic improvements, the saplings signify a long-term investment in our campus's ecological health and resilience. By integrating tree planting into our campus culture, we aim to not only beautify our surroundings but also contribute positively to local biodiversity and mitigate our carbon footprint.

Moving forward, the College Green Initiative Committee plans to expand these efforts with educational workshops on tree care and biodiversity, ensuring that our planting initiatives leave a lasting legacy of environmental awareness and action within our

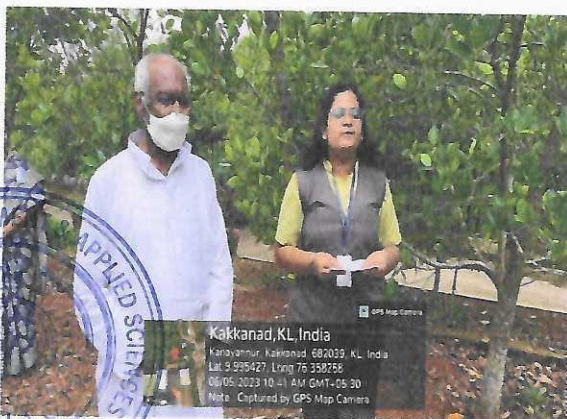

college community. Celebrating Environment Day through these activities raises awareness about the importance of environmental conservation and promotes sustainable practices. By planting saplings, we foster environmental awareness, encourage sustainability, and instill a sense of responsibility within our college community.

<b>Outcome</b>	Shelter and stability for the homeless population
<b>Organized by</b>	NSS Unit No:236
<b>Faculty in charge</b>	Dr. Chandralal V S & Ms. Hitha P S
<b>Student in charge</b>	Mr. Navaneeth K R & Ms. Neha Jerson

On September 15th, 2023, the National Service Scheme (NSS) undertook a commendable initiative titled "SNEHAKOODU - Home for the Homeless." This program aimed to address the critical issue of homelessness within the community, specifically focusing on supporting families living in poverty. Dr. Chandralal V S and Ms. Hitha P S spearheaded this endeavor, demonstrating the NSS's commitment to social welfare.

Through collaborative efforts, the NSS team was able to provide safe and dignified living spaces for two families. This not only fulfilled the basic need for shelter but also fostered a sense of security and belonging within the community. The program's success highlights the power of collaboration in creating positive social change.

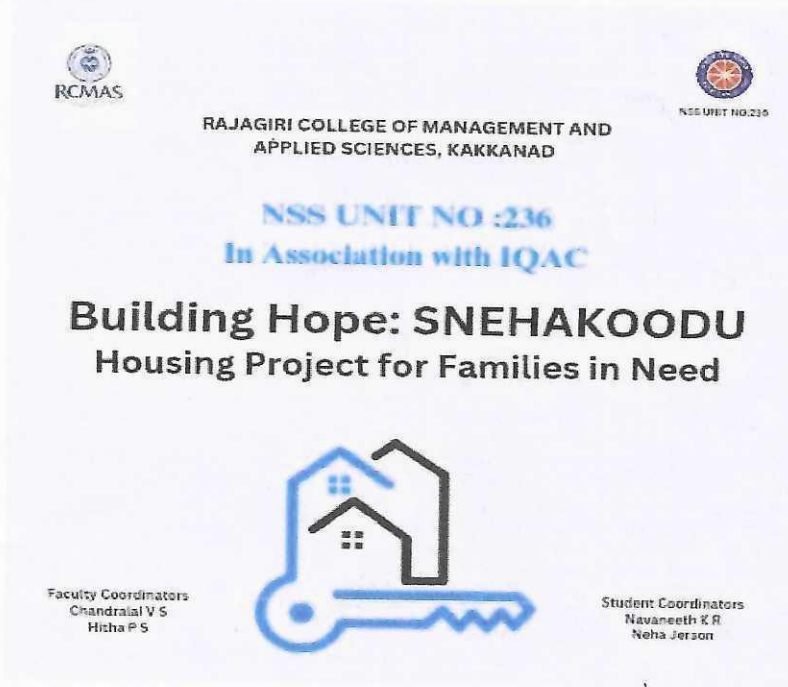

"SNEHAKOODU" serves as a shining example of the NSS's dedication to tackling societal challenges. By prioritizing the well-being of underprivileged families, the program promotes inclusive welfare initiatives and empowers those in need to build a brighter future. This compassionate endeavor is a true testament to the NSS's unwavering commitment to social responsibility.

<b>Student in charge</b>	Mr. Navaneeth KR , Ms. Neha Jerson

On September 18, 2023, the college's National Service Scheme (NSS) Unit organized a significant community service event "Oru Pothi Sneham." This initiative was dedicated to providing nourishing meals to underprivileged members of the local community. The event was marked by the enthusiastic participation of college students, who took on various roles ranging from preparing and distributing the meals to coordinating logistics and engaging with the beneficiaries. The program aimed to address immediate food security concerns and foster a spirit of compassion and solidarity within the student body.

The distribution took place at several key locations frequented by marginalized individuals, ensuring broad reach and impact. Each meal package was carefully prepared to meet nutritional needs and was accompanied by a message of goodwill from the students. The event not only provided essential sustenance but also strengthened the bonds between the students and the community, underscoring the NSS Unit's commitment to social responsibility and community service. This event demonstrates how collective efforts can make a tangible difference in addressing societal needs.

## Report on Library Installation at Juvenile Home

<b>Programme</b>	Donated books to Juvenile home
<b>Date</b>	14 December 2023
<b>Beneficiaries</b>	Juvenile inmates
<b>Outcome</b>	Fostered literacy and educational opportunities for the underprivileged
<b>Organized by</b>	Jesus Youth
<b>Faculty in charge</b>	Ms. Vinitha Varghese, Ms. Josmy Mathew
<b>Student in charge</b>	Mr. John Saju, Ms. Elizabeth Sojan

On December 14, 2023, the Jesus Youth club organized a commendable initiative, the Library Installation programme, aimed at establishing a library at the Juvenile home. The project began with a collection drive where books were collected from various schools. The Jesus Youth club members then diligently sorted through the collected books, ensuring a diverse selection that catered to the interests and educational needs of the Juvenile home inmates. This collaborative effort showcased the club's commitment to fostering literacy and providing educational opportunities for the community.

After weeks of preparation, the culmination of the Library Installation programme saw the Jesus Youth club members handing over the organised collection of books to the Juvenile home. Upon arrival at the orphanage, the supervisors warmly welcomed the Jesus Youth Members and introduced the facilities and its operations followed by a formal gathering presided by the Magistrate of Juvenile Justice Board. The beneficiaries, the inmates of the Juvenile home, received not only a physical library but also a gateway to knowledge and personal development. The installation of the library not only provided access to reading materials but also symbolized hope and empowerment for the young individuals residing in the

## Report on Book Donation Drive

<b>Programme</b>	A Drive to Donate Books
<b>Date</b>	19 June 2023 - 18 January 2024
<b>Beneficiaries</b>	KMLP School, Erorr (more than 100 books donated)
<b>Outcome</b>	The Library Club's Book Collection Drive successfully collected a diverse array of books to donate to underserved communities, promoting literacy and educational equity.
<b>Organized by</b>	Department English and Library club
<b>Faculty in charge</b>	Ms. Lakshmi K Raghavan, Ms. Sai Parvathy
<b>Student in charge</b>	Mr. Humayoon Hussain JS

From June 19, 2023, to January 18, 2024, the Library Club embarked on a transformative Book Collection Drive aimed at gathering books for donation to underserved communities. This initiative received widespread support, with notable contributions from KM LP School in Erorr, where over 100 books were generously donated. Spearheaded by Sai Parvathy, the drive successfully mobilized the community to unite for a noble cause, emphasizing the importance of literacy and access to knowledge.

The collected books spanned a diverse array of genres and topics, ensuring that recipients would have a wide selection to explore and learn from. This inclusivity was crucial in catering to the varied interests and educational needs of those who would benefit from the donations. Beyond simply providing reading materials, the initiative aimed to ignite a passion for reading and lifelong learning among individuals who may otherwise have limited access to such resources.

Accompanied by eight students and two dedicated faculty coordinators, the donation team set off on a mission to spread the joy of reading and learning. Upon reaching KMLP School Erorr, the atmosphere was brimming with excitement and anticipation. As the books were presented to the eager recipients, a palpable sense of

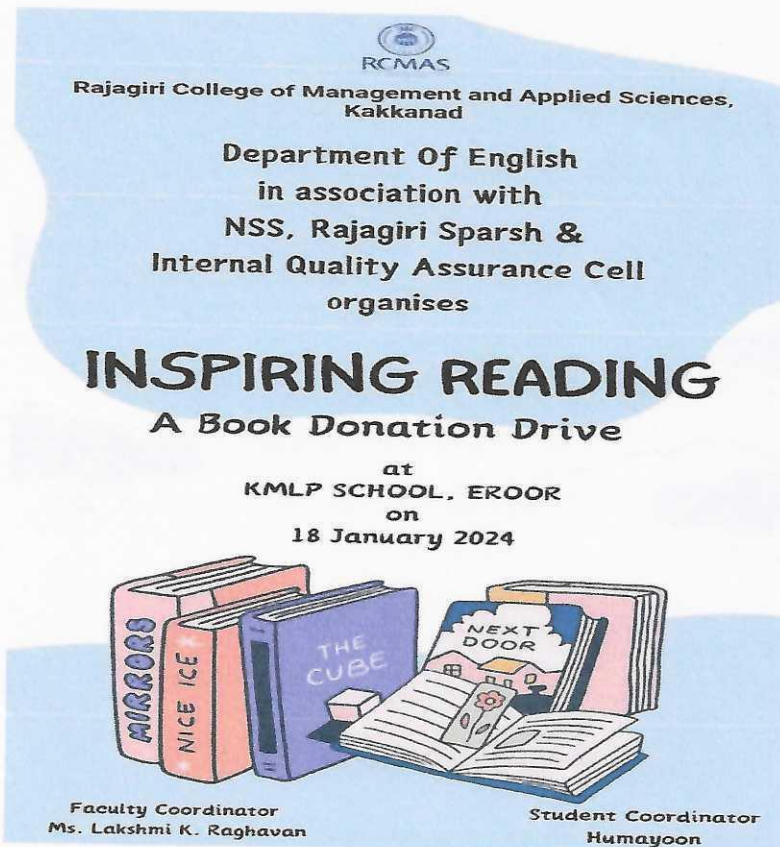

gratitude and enthusiasm filled the air. The act of donating books reached far more than a simple gesture of generosity; it symbolized a true commitment to nurturing a love for reading and education in the hearts of children.

In addition to the book donation, the team also extended their warmth by distributing sweets to all the students of the school. This gesture of kindness added a touch of sweetness to the day's proceedings, further reinforcing the bonds of camaraderie and goodwill between the donors and the recipients. Through this collective effort, the Book Donation Drive enriched the reading resources of KMLP School and ignited a spirit of compassion, empathy and community among all involved.

## Report on Celebration of World Mental Health Day with Inmates of Karunalayam, Kakkanad

<b>Programme</b>	Kochi Metro Ride with Karunalayam inmates
<b>Date</b>	10 October 2023
<b>Beneficiaries</b>	Inmates of Karunalayam
<b>Outcome</b>	The Rotaract Club's "Kochi Metro Ride with Karunalayam Inmates" event promoted social inclusion and mental well-being for individuals facing mental health challenges.
<b>Organized by</b>	Rotaract Club
<b>Faculty in charge</b>	Ms. Elsa Jacob, Ms. Geethu Johny
<b>Student in charge</b>	Mr. Aby Abraham Mathew, Mr. Nadeem Muhammed Ali

On October 10, 2023, the Rotaract Club marked World Mental Health Day with a special event titled "Kochi Metro Ride with Karunalayam Inmates." This initiative was designed to celebrate mental well-being and promote social inclusion for individuals facing mental health challenges. Led by Elsa Jacob, Geethu Johny, Aby Abraham Mathew, and Nadeem Muhammed Ali, the event treated thirty-five inmates from Karunalayam to a complimentary Kochi Metro ride, offering them a day of exploration and enjoyment within the city.

The outing provided a valuable opportunity for the inmates to engage in a recreational activity and interact with members of the community outside their immediate environment. By participating in the Kochi Metro ride, the inmates not only experienced a sense of freedom and adventure but also benefited from social interactions that promote a sense of belonging and reduce the stigma often associated with mental health issues. This event exemplified the Rotaract Club's dedication to fostering empathy and understanding towards marginalized groups, emphasizing the importance of inclusivity and compassion in building a supportive community.

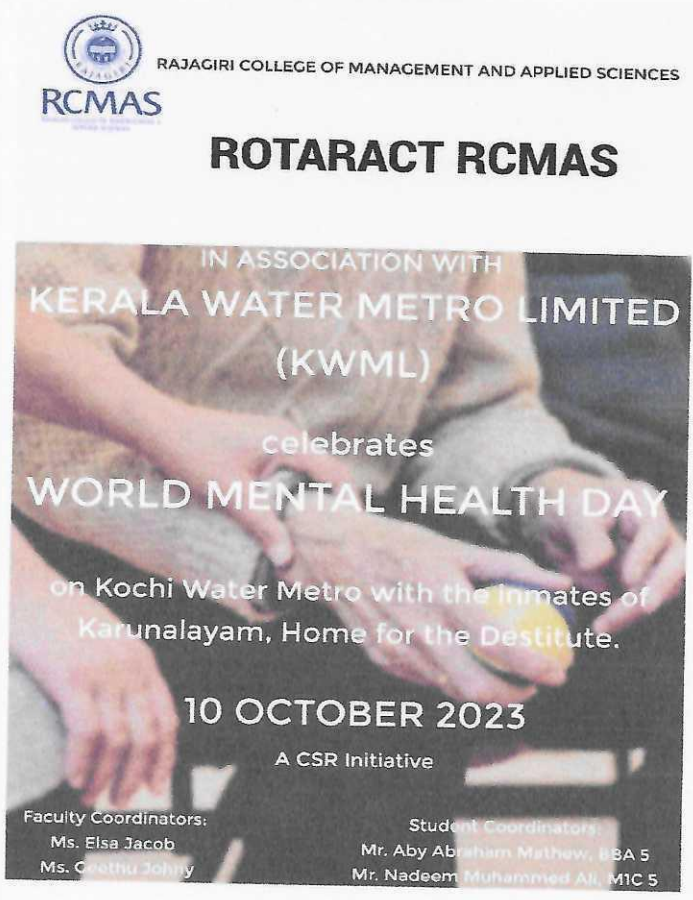

*(Handwritten signature in green ink)*

The initiative underscored the Rotaract Club's commitment to raising awareness about mental health and advocating for the rights and well-being of individuals with mental health challenges. By organizing such meaningful activities, Elsa Jacob and the team demonstrated their proactive approach to social responsibility, highlighting how simple gestures can positively impact the lives of others. Moving forward, the Rotaract Club continues to uphold its mission of promoting mental health awareness and creating opportunities for marginalized groups to thrive and participate fully in community life.

## Report on Cultural Nourishment : Onasadhya Celebration for Inmates of Kusumagiri Mental Health Centre, Kakkanad

<b>Programme</b>	Onasadhya Celebration for Inmates of Kusumagiri Mental Health Centre, Kakkanad
<b>Date</b>	29 August 2023
<b>Beneficiaries</b>	Inmates of Kusumagiri hospital
<b>Outcome</b>	Provided a festive meal, boosting morale and creating a sense of community among the inmates, enhancing their mental well-being.
<b>Organized by</b>	Department of Management
<b>Faculty in charge</b>	Ms. Megha Mohan
<b>Student in charge</b>	Ms. Febin Sunny

On August 29, 2023, the Department of Management organized a heartwarming Onasadya at Kusumagiri Hospital in Kakkanad, aimed at spreading joy and cultural celebration among the hospital's residents. Led by Megha Mohan and Febin Sunny, the event brought together inmates and staff alike for a traditional Onam feast, marking a festive occasion filled with camaraderie and community spirit.

The Onasadya provided a cherished opportunity for the hospital's residents to indulge in a sumptuous meal and partake in cultural festivities that are integral to Kerala's heritage. Beyond the culinary delights, the event played a significant role in enhancing the overall well-being of the inmates by fostering a sense of belonging and inclusion within the hospital community. The gathering not only lifted spirits but also underscored the importance of compassionate initiatives that enrich the lives of individuals in healthcare settings.

This initiative exemplifies the Department of Management's dedication to social responsibility and its proactive approach to supporting the welfare of vulnerable populations. By organizing the Onasadya, Megha Mohan, Febin Sunny, and their

## Report on Toy Distribution to Anganwadi Children

<b>Programme</b>	Toy Distribution to Anganwadi Children
<b>Date</b>	14 December 2023
<b>Beneficiaries</b>	Children of Anganwadi
<b>Outcome</b>	Fostered play and development among young children, enhancing their cognitive and social skills through the provision of toys.
<b>Organized by</b>	Department of Management, NSS & IQAC
<b>Faculty in charge</b>	Ms. Raji T
<b>Student in charge</b>	Mr. Febin Sunny

The Toy distribution to Anganwadi students was a commendable initiative organized by Management & NSS on 14 December 2023. As another program, toys were distributed to Anganwadi children in Kakkanad by third semester BBA students as part of extension activity. The program enabled a nurturing and stimulating environment for early childhood education and development. A total 8 students were part of the extension activity. The primary objective of the Toy Distribution Program was to encourage play among the children at Anganwadi No. 64. Play is a crucial aspect of early childhood development, aiding in the enhancement of cognitive abilities, social skills, and emotional well-being. By offering a variety of toys, the program aimed to create a stimulating environment that promotes learning and development through play. Toys can serve as tools for children to explore their surroundings, engage in imaginative play, and develop problem-solving skills. Interactive play sessions were organized where volunteers engaged with the children, demonstrating how to use the toys and encouraging group play. These sessions were filled with laughter and excitement as the children explored their new toys and interacted with their peers. This initiative stands out as a beacon of hope

and support for Anganwadi, Kakkanad, demonstrating the power of community engagement and the impact of well-coordinated efforts to make a tangible difference in the lives of those in need. The commitment of the students and faculty involved underscores the importance of social responsibility and the potential to foster positive change through collective action.

Led by student coordinator Febin M Sunny and supported by faculty coordinator Ms. Raji T, the event aimed to bring joy and smiles to the faces of young learners. The thoughtful contribution not only reflected the department's commitment to community engagement but also fostered a sense of social responsibility among the students.
