1. Seminar on Vision Beyond Sight: Redefining Reading in the Age of Technology

Programme	Seminar on Vision Beyond Sight: Redefining Reading in the Age of Technology
Date	19 June 2023 to 20 June 2023
No. of Participants	51 Students
Resource Person	Mr. Navoor Pareeth, Assistant Professor, Maharajas College, Ernakulam
Outcome	Participants gained a deeper understanding on the importance of reading in today's technological landscape, and how digital innovations are transforming reading habits.
Organized by	Department of English, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Sai Parvathi I R, Department of English
Student in charge	Mr. Aphrem Basil, BAE VI Semester, Department of English

The Department of English at Rajagiri College of Management and Applied Sciences organized a two-day Seminar on Vision Beyond Sight: Redefining Reading in the Age of Technology on the 19th and 20th of June 2023. The seminar aimed to understanding the relevance and changing dynamics of reading in the digital age, explore how technology influences reading habits and comprehension, and discuss the future of literacy. A total of 51 students participated in the seminar. The seminar benefited from the expertise of Mr. Navoor Pareeth, Assistant Professor at Maharajas College Ernakulam. Mr. Navoor brought valuable insights into the session through his expertise in literacy, technology, education and through his perspectives on the evolution of reading.

The seminar included a series of enriching sessions which provided the students with an overview of the history of reading from traditional print to digital formats, emphasizing the transformation in reading habits due to technology. Key discussions

Email: principal@rajagiricollege.edu.in
www.rajagiricollege.edu.in

included the impact of digital reading on comprehension and engagement, strategies to enhance focus and the benefits of interactive and personalized reading experiences.

The organizing committee extends sincere appreciation to Mr. Navoor Pareeth for his invaluable contributions. Special thanks to Ms. Sai Parvathy I R, and the student coordinator, Mr. Aphrem Basil, for their dedicated efforts in ensuring the success of the seminar.

The Seminar served as a platform to heighten the students' awareness on the critical role of reading in the age of technology. They gained a deeper understanding of how digital advancements are reshaping reading habits and enhancing accessibility.

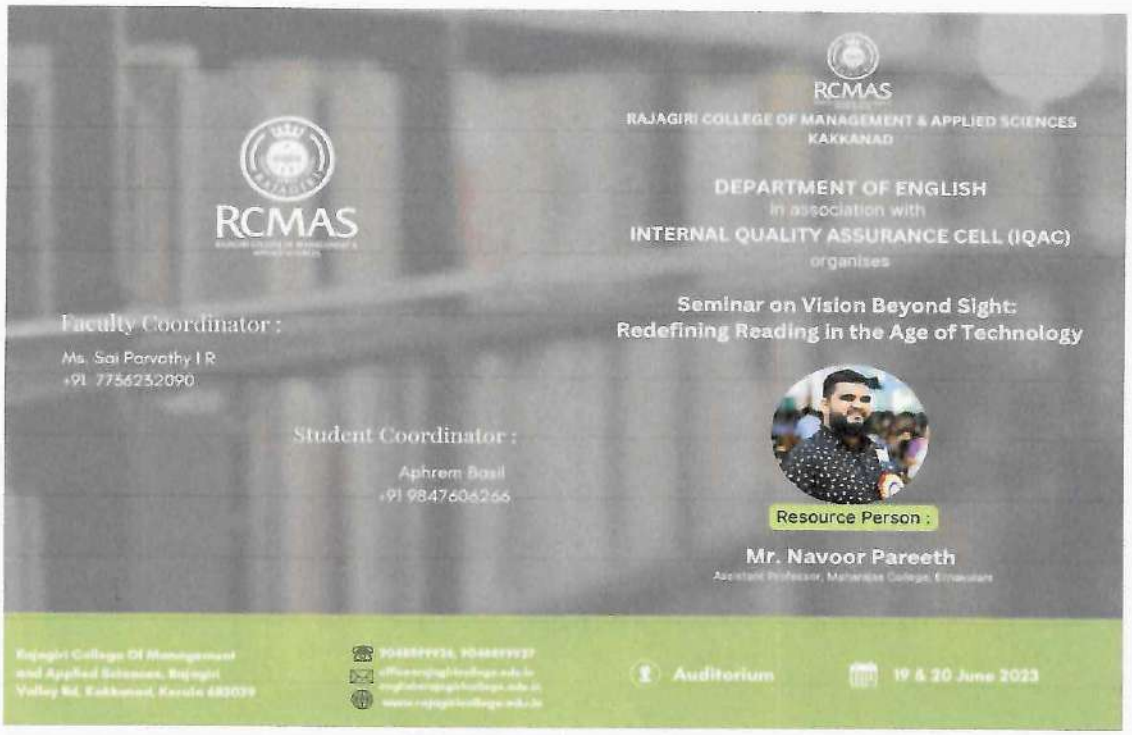
Brochure of Seminar on Vision Beyond Sight: Redefining Reading in the Age of Technology



RCMAS

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and rational foundation of its students.

The Department of English, established in 2015, focuses on equipping students with essential skills in Language, Communication, and Journalism. We are proud to announce that we will be hosting a seminar titled "Vision Beyond Sight: Redefining Reading in the Age of Technology." The event will take place on June 19th and 20th, 2023.

Meet Professor Mr. Navoor Pareeth , a blind Malayalam professor who captivated our session with his innovative use of technology for reading. Despite his visual impairment, he exemplifies resilience and academic excellence, inspiring us all with his mastery of Malayalam literature aided by modern technological tools.

DAY 1 (11:30 AM - 12:30 PM)
READING WITH TECHNOLOGY

Discover how digital platforms are revolutionizing reading experiences, from interactive e-books to cutting-edge reading apps. Engage in discussions on digital literacy, accessibility, and the future of reading technologies. This day promises insightful sessions, hands-on workshops, and a glimpse into the ethical considerations shaping our digital reading landscape. Don't miss out on this opportunity to navigate the future of reading!

DAY 2 (10:30 AM - 12:30 PM)
HOW MR. NAVOOR READS BOOKS DESPITE BEING BLIND

Mr. Navoor, despite being blind, had an insatiable love for literature. His method of reading involved using specially crafted Braille books, where each page was embossed with raised dots representing letters and words. With his sensitive fingertips, he meticulously traced each line, absorbing the stories and knowledge within. His dedication to reading was a testament to his determination and passion for learning, showing that barriers like blindness could not hinder his pursuit of knowledge and enjoyment of books.

OUTCOME

The seminar aims to equip participants with effective methods to assess reading outcomes, incorporating current research and best practices in literacy education. Through collaboration with experts, students will enhance their understanding and implementation of evidence-based reading strategies. Participants will also gain insights into the critical role of reading in today's digital landscape and explore how digital innovations are reshaping reading habits.

2. Seminar on Virtual Horizons: Exploring the Latest in AR-VR Technologies

Programme	Seminar on Virtual Horizons: Exploring the Latest in AR-VR Technologies
Date	27 & 28 July 2023
No. of Participants	20
Resource Person	Mr. Suraj S, Program Manager of ASAP, Kochi
Outcome	It discussed the rapid growth and potential of AR and VR technologies across various sectors while addressing the challenges and ethical considerations that come with these advancements.
Organized by	Department of Animation and Graphic Design, Rajagiri College of Management and Applied Sciences in association with IQAC
Faculty in charge	Mr. Jotty Jacob, Assistant Professor and HoD, Department of Animation and Graphic Design, Rajagiri College of Management And Applied Sciences
Student in charge	Ms. Gourinandana J, B.A Animation and Graphic Design Batch 2023-26

Rajagiri College of Management and Applied Sciences in association with IQAC organized a "Seminar on Virtual Horizons: Exploring the Latest in AR-VR Technologies" on 27th July 2023 10:30 AM at the Conference Hall. The seminar was aimed to familiarize the students with AR, VR and the possible future opportunities of the sector. A total of 20 students participated in the seminar.

It provided a comprehensive overview of augmented reality (AR) and virtual reality (VR) technologies, focusing on their definitions, fundamental principles, and differences. It explored the historical development and evolution of AR and VR,

Email: principal@rajagiricollege.edu.in
www.rajagiricollege.edu.in

highlighting key milestones and technological advancements. The seminar detailed various applications across multiple sectors, including gaming, education, healthcare, and retail, illustrating how these technologies are transforming user experiences and industry practices.

Participants were introduced to the basic hardware and software components required for AR and VR, such as headsets, motion sensors, and development platforms. The seminar also addressed current challenges in the field, including technical limitations, user interface design, and ethical considerations. Discussions on the future potential of AR and VR emphasized trends like AI integration, enhanced accessibility, and cross-platform compatibility.

Interactive demonstrations and case studies provided practical insights into the creation and implementation of AR and VR experiences. The seminar concluded with a Q&A session, fostering dialogue between attendees and experts, and encouraging further exploration and innovation in the AR and VR landscape.

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and national foundation of its students.

The Department of Animation and Graphic Design, institutionalised in 2016 with the aim of nurturing creative talent and providing industry-relevant education, the department offers various courses tailored to meet the demands of the animation and multimedia industry.

DAY 1 (9.30 AM TO 04.00 PM)

Foundations and Applications
Introduction to AR and VR Technology
History and Evolution of AR-VR
Current Applications in Various Industries (Gaming, Healthcare, Education, etc.)
Technical Fundamentals: Hardware and Software
Development Tools and Platforms (Unity, Unreal Engine)
Designing AR-VR Experiences
User Experience and Interaction Design
Hands-On Session: Introduction to Development Tools

OBJECTIVE:

Outcome Exploring the Latest in AR-VR Technology will equip students with a comprehensive understanding of AR and VR technologies, from their historical evolution to current applications and future trends. Participants will gain hands-on experience in designing and developing simple AR-VR projects using industry-standard tools like Unity and Unreal Engine, enhancing their technical skills and creative thinking. Additionally, students will develop problem-solving abilities by understanding the challenges and limitations of AR-VR, and gain insights into ethical considerations and privacy issues. This workshop will also provide valuable networking opportunities, preparing students for future career paths in the evolving field of AR-VR technology.

DAY 2 (9.30 AM TO 04.00 PM)

Advanced Techniques and Future Trends
Creating AR-VR Projects: Step-by-Step Guide
Challenges and Limitations of AR-VR Technology
Future Trends and Innovations in AR-VR
Ethical Considerations and Privacy Issues
Case Studies and Success Stories
Advanced Hands-On Session: Developing a Simple AR-VR Project

3. Seminar on Streamlining GST Processes: Technology- Enabled Business Workshop

Programme	Seminar on Streamlining GST Processes: Technology- Enabled Business Workshop
Date	18 and 19 September 2023
No. of Participants	30 Students
Resource Person	Dr. Shajahan Ahmed Hussain, the Hon. Counsellor, Resource Person & Advisor Ministry of Corporate Affairs
Outcome	Led by Dr. Shajahan Ahmed Hussain, this two-day seminar equipped participants with practical skills in leveraging technology for efficient GST compliance. Attendees gained insights into integrating digital tools, optimizing tax filing processes, and enhancing financial management within the GST framework, ensuring improved accuracy and reduced compliance risks.
Organized by	Department of Commerce, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Elsa Jacob, Department of Commerce
Student in charge	Ms. Jubin Thomas Tharayil and Ms. Sara Palat, Department of Commerce

The "Streamlining GST Processes: Technology-Enabled Business Workshop" was conducted from September 18-19, 2023, at Conference Hall, organized by Ms. Elsa Jacob, Assistant Professor at RCMAS. The workshop aimed to educate participants on leveraging technology to streamline Goods and Services Tax (GST) processes effectively. Dr. Shajahan Ahmed Hussain, the Hon. Counsellor, Resource Person & Advisor at the Ministry of Corporate Affairs, served as the esteemed resource person,

RAJAGIRI VALLEY P.O., KAKKANAD, KOCHI - 682 039
Ph: 0484 2955270
Email: principal@rajagiricollege.edu.in
www.rajagiricollege.edu.in

bringing extensive expertise in GST regulations and technological advancements in business operations.

The workshop schedule included sessions from 9:30 AM to 11:30 AM on the first day and from 10:00 AM to 12:30 PM on the second day. Topics covered encompassed digital tools for GST compliance, automated filing systems, and data analytics for optimizing tax strategies. Dr. Shajahan Ahmed Hussain's presentations and interactive discussions provided participants with practical insights and case studies on integrating technology to enhance efficiency and compliance in GST processes.

With 30 participants in attendance, including tax professionals, business owners, and students, the workshop facilitated dynamic learning through hands-on exercises and real-world scenarios. Participants actively engaged in exploring software solutions and digital platforms designed to simplify GST reporting and improve business operations. By the conclusion of the workshop, attendees expressed appreciation for the comprehensive knowledge gained and their readiness to implement technology-driven solutions to streamline GST processes within their respective organizations.

In summary, the "Streamlining GST Processes" workshop proved instrumental in equipping participants with the necessary tools and knowledge to navigate the complexities of GST compliance through technological advancements. The collaborative efforts of the faculty coordinator, student coordinators, and the expertise of Dr. Shajahan Ahmed Hussain ensured a productive and enlightening workshop experience, empowering participants to enhance operational efficiency and regulatory compliance in GST management.

The "Streamlining GST Processes: Technology-Enabled Business Workshop" is conducted from September 18-19, 2023, at Classroom 406, organized by Ms. Elsa Jacob, Assistant Professor at RCMAS. The workshop aims to educate participants on leveraging technology to streamline Goods and Services Tax (GST) processes effectively. Dr. Shajahan Ahmed Hussain, the Hon. Counselor, Resource Person & Advisor at the Ministry of Corporate Affairs, serves as the esteemed resource person, bringing extensive expertise in GST regulations and technological advancements in business operations.

The workshop schedule includes sessions from 9:30 AM to 11:30 AM on the first day and from 10:00 AM to 12:30 PM on the second day.

Objectives

1.Enhancing Self-Awareness: The workshop will foster deeper introspection among participants to help them recognize their own emotions, strengths, and areas for growth.

2. Developing Empathy Skills: Participants will cultivate the ability to understand and empathize with the emotions and perspectives of others, which are essential for effective interpersonal interactions.

3.Refining Communication Abilities: The workshop will focus on improving participants' verbal and non-verbal communication skills to enable them to convey ideas clearly and empathetically.

4. Strengthening Leadership Competencies: Participants will be equipped with leadership strategies that emphasize emotional intelligence, aiming to foster a positive and productive team environment.

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and rational foundation of its students.

The Department of Commerce, established in 2005, has rapidly expanded to become a hub of academic excellence and professional training. Initially focused on undergraduate education, offering six UG courses and one PG course. With a robust faculty team of 31 members. The Department of Commerce aims to enhance research capabilities, innovate its curriculum, and promote holistic development through various co-curricular and extracurricular activities.

Vision of the Department
To empower our students with knowledge, skills and ethical grounding to excel in the global economy.

Mission of the Department:
To cultivate socially responsible commerce professionals capable of addressing global challenges sustainably.

4. Workshop on Futuristic Logistics: Riding the Wave of Technological Advancements

Programme	Workshop on Futuristic Logistics : Riding the Wave of Technological Advancements
Date	12 and 13 October 2023
No. of Participants	25 Students
Resource Person	Dr. Ajay Sanker, Chairman Laurus Institute of Logistics
Outcome	The students got to know about the various technological advancements in the field of Logistics
Organized by	Department of Commerce, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Diana Joseph, Department of Commerce
Student in charge	Mr. Thameem Hadi and Ms. Anna Rose, Department of Commerce

The "Workshop on Futuristic Logistics: Riding the Wave of Technological Advancements" was held from October 12-13, 2023, at the College Auditorium, organized by Ms. Diana Joseph, Assistant Professor at RCMAS. The workshop aimed to explore the impact of technological advancements on the logistics industry and equip participants with insights into emerging trends and innovations. Dr. Ajay Sankar, Chairman of Lauras Institute of Logistics, served as the resource person, bringing extensive expertise in logistics and supply chain management to enrich the workshop.

The workshop schedule spanned from 9:30 AM to 4:00 PM each day, featuring sessions on cutting-edge technologies such as blockchain, artificial intelligence, and Internet of Things (IoT) in logistics operations. Dr. Ajay Sankar's presentations and discussions provided participants with a deep understanding of how these technologies are

Ph: 0484-2955270
Email: principal@rajagiricollege.edu.in
www.rajagiricollege.edu.in

transforming traditional logistics practices, enhancing efficiency, and addressing challenges in the supply chain.

With 25 participants in attendance, including students and professionals from logistics and related industries, the workshop fostered interactive learning through case studies, group activities, and practical demonstrations. Participants engaged actively in exploring practical applications of futuristic logistics technologies and discussing strategies for implementing these advancements in real-world scenarios. By the conclusion of the workshop, attendees expressed appreciation for the comprehensive insights gained and their readiness to leverage technological innovations to drive forward-thinking approaches in logistics management.

In summary, the "Futuristic Logistics" workshop proved instrumental in preparing participants for the evolving landscape of logistics through exploration of advanced technologies. The collaborative efforts of the faculty coordinator, student coordinators, and the expertise of Dr. Ajay Sankar ensured a valuable learning experience that empowered participants to embrace and capitalize on technological advancements in their professional endeavours.

The workshop aims to explore the impact of technological advancements on the logistics industry and equip participants with insights into emerging trends and innovations.

12&13 OCTOBER 2023| Auditorium,RCMAS

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto"Learn, Serve, Excel"and aims to enhance the moral, social, and rational foundation of its student.

The Department of Commerce, established in 2005, has rapidly expanded to become a hub of academic excellence and professional training. Initially focused on undergraduate education, offering six UG courses and one PG course. With a robust faculty team of 31 members.The Department of Commerce aims to enhance research capabilities, innovate its curriculum, and promote holistic development through various co-curricular and extracurricular activities.

DAY 1 & 2 (9:30AM -4:00PM)

HOW TO ADVANCE LOGISTICS.

Featuring sessions on cutting-edge technologies such as blockchain, artificial intelligence, and Internet of Things (IoT) in logistics operations. Dr. Ajay Sankar's presentations and discussions provided participants with a deep understanding of how these technologies are transforming traditional logistics practices, enhancing efficiency, and addressing challenges in the supply chain.

The workshop fosters interactive learning through case studies, group activities, and practical demonstrations. Participants engaged actively in exploring practical applications of futuristic logistics technologies and discussing strategies for implementing these advancements in real-world scenarios. By the conclusion of the workshop, attendees can express appreciation for the comprehensive insights gained and their readiness to leverage technological innovations to drive forward-thinking approaches in logistics management.

OBJECTIVES

Deep understanding of how technologies are transforming traditional logistics practices, enhancing efficiency, and addressing challenges in the supply chain.

5. Workshop on Robot Crafting and Code Mastering: Techbot Forge

Programme	TECHBOT FORGE - Workshop on Robot Crafting and Code Mastering
Date	26 and 28 February2024
No. of Participants	66 Students
Resource Person	Mr. Sulfikar P K, Industrial Robotics Institute, Palakkad
Outcome	Participants gain a comprehensive understanding of data science fundamentals, advanced techniques, and real-world applications
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Dona Maria Mani , Department of Computer Science
Student in charge	Ms. Gouri Nandana Mohan , BCA 4th Semester, Department of Computer Science

The "Workshop on Robot Crafting and Code Mastering" offers students a hands-on experience in the fascinating world of robotics and programming. This workshop aims to bridge the gap between theoretical knowledge and practical application by engaging participants in crafting their own robots and writing the code that brings them to life. Students are introduced to basic robotic components, such as sensors, actuators, and microcontrollers, and learn how to assemble these parts into functional robots. The coding sessions covered fundamental programming concepts, allowing students to control their creations and complete various tasks. By the end of the workshop, participants had a solid foundation in both robotics and coding, empowering them to pursue further studies or projects in these fields.

In addition to technical skills, the workshop emphasizes creativity, problem-solving, and collaboration. Students work in teams to design, build, and program their robots, fostering an environment of cooperative learning and innovation. Through guided challenges and projects, they developed critical thinking skills and learned to troubleshoot and iterate on their designs. The workshop is designed to be inclusive and accessible, welcoming students of all skill levels and encouraging them to explore the possibilities of technology. With expert instructors and a supportive learning environment, the "Workshop on Robot Crafting and Code Mastering" promises to inspire the next generation of engineers, programmers, and tech enthusiasts.

26 February 2024 to 28 February 2024 | Computer Lab - 1, RCMAS

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences is an affiliated college offering undergraduate and post-graduate degrees conferred by Mahatma Gandhi University. The courses are offered in the discipline of Management, Arts and Computer Application. Besides a robust teaching pedagogy, Rajagiri College of Management & Applied Sciences is also a leader in research and innovation. The institution marked its inception in the year 2008 and is modelled on the dream and vision of Saint Kuriakose Elias Chavara, the Founder of CMI congregation and a social reformer in the 19th Century. Focus is given to activities beyond academics at Rajagiri College of Management & Applied Sciences, which is evident from its infrastructure, extracurricular activities and national & international collaborations.

The Department of Computer Science at Rajagiri College of Management and Applied Sciences in Kakkanad, Kerala, is typically dedicated to providing high-quality education and training in various aspects of computer science, information technology, and related fields. It is our pride to announce that we will be hosting a workshop on Robot Crafting and Code Mastering : Techbot Forge. The event will take place from 26 February to 28 February, 2024

Objective :

Participants gained proficiency in robot construction and programming, develop problem-solving skills, and foster creativity.

Day 1 : (09.30 AM to 04.00 PM)

Concept of Technology , Introduction to Robotics and Artificial Intelligence

Day 2 : (09.30 AM to 04.00 PM)

Need of Programming, Software Installation

Day 3 : (9.30 AM to 04.00 PM)

Introduction to Micro controller, Sensor Integrated coding, Actuators Integated coding, Micro Controller programming

6. Seminar On Cyber Security: Securing the Digital Frontier

Programme	Securing The Digital Frontier - Seminar on Cyber Security
Date	28 and 29 February 2024
No. of Participants	60 Students.
Resource Person	Mr. Sreenath Gopinath, TECHBYHEART
Outcome	Helped students equip themselves with the knowledge and tools to navigate the digital world ethically and responsibly while protecting their digital footprints.
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Dr. Neenu Kuriakose, Department of Computer Science
Student in charge	Ms. Ananya Elizabeth BCA 5th Semester, Department of Computer Science

The "Seminar on Cyber Security: Securing the Digital Frontier" seminar on 28/2/2024 to 29/02/2024 on cyber security for students was a highly informative and engaging event that shed light on the critical aspects of cybersecurity in today's digital landscape. The seminar covered a wide range of topics, including threat intelligence, network security, data protection, and incident response strategies. Expert speakers from the cybersecurity industry shared valuable insights, case studies, and best practices, empowering students with the knowledge and skills to effectively address cyber threats. Students gained a deeper understanding of the evolving cyber threat landscape, the importance of proactive security measures, and the role of cybersecurity professionals in safeguarding digital assets. The seminar also highlighted emerging trends such as cloud security, IoT security, and ethical hacking, providing students with

The Department of Computer Science at Rajagiri College of Management and Applied Sciences in Kakkanad, Kerala, is typically dedicated to providing high-quality education and training in various aspects of computer science, information technology, and related fields. It is our pride to announce that we will be hosting a International Seminar on cyber Security : Securing the Digital Frontier. The event will take place on the 28th and 29th of February, 2024.

Objective :

Participants gained a deeper understanding of Cyber Security

Day 1 (09.30 AM - 04.00 PM)

Threat Landscape Analysis :

Emerging Threats : Discussion on new and evolving threats like AI-drivenattacks, IoT (Internet of Things) vulnerabilities, and supply chain compromises.

Attack Vectors: Analysis of common entry points and methods used by attackers, including vulnerabilities in software, hardware, and network infrastructure.

Day 2 (09.30 AM - 04.00 PM)

Cybersecurity Best Practices and Case Studies :

Security Awareness Training : Strategies for educating users about cybersecurity threats, phishing awareness, and safe computing practices to foster a security-conscious culture.

Incident Response: Frameworks and procedures for detecting, responding to, and recovering from cybersecurity incidents, including incident escalation and communication protocols.

7. International Seminar on Data Science and Applications

Programme	International Seminar on Data Science and Applications
Date	04 and 05 March 2024
No. of Participants	12 students
Resource Person	Dr. V L Raju Chinthalapati, Reader and Programme Director of M.Sc. Data Science, Department of Computing, Goldsmiths, University of London
Outcome	Participants gain a comprehensive understanding of data science fundamentals, advanced techniques, and real-world applications
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Mr. Joby Jacob, Department of Computer Science
Student in charge	Ms. Reega Cheriyan, BCA 4th Semester, Department of Computer Science

The online "International Seminar on Data Science and Applications" in association with IQAC for students on 04/03/2024 to 05/03/2024 provided an enriching platform for participants to explore the rapidly evolving field of data science. The seminar featured expert speakers from various parts of the world who shared insights on the latest trends, techniques, and tools in data science. Topics covered included machine learning, big data analytics, data visualization, and practical applications of data science in different industries. Interactive sessions allowed students to engage directly with industry professionals, enhancing their understanding of real-world data challenges

and solutions. This seminar emphasized the importance of data-driven decision-making in today's digital age, highlighting how data science can drive innovation and efficiency across sectors.

Moreover, the seminar underscored the growing demand for skilled data scientists and the diverse career opportunities available in this field. Students were introduced to various educational pathways and resources to build a strong foundation in data science. Networking opportunities were abundant, with participants connecting with peers, educators, and industry leaders, fostering a global community of aspiring data scientists. Overall, the seminar was a valuable experience for students, equipping them with the knowledge and skills necessary to excel in the dynamic field of data science.

04. & 05 March 2024 | Google Meet

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences is an affiliated college offering undergraduate and post-graduate degrees conferred by Mahatma Gandhi University. The courses are offered in the discipline of Management, Arts and Computer Application. Besides a robust teaching pedagogy, Rajagiri College of Management & Applied Sciences is also a leader in research and innovation.

The institution marked its inception in the year 2008 and is modelled on the dream and vision of Saint Kuriakose Elias Chavara, the founder of CMI congregation and a social reformer in the 19th Century. Focus is given to activities beyond academics at Rajagiri College of Management & Applied Sciences, which is evident from its infrastructure, extracurricular activities and national & international collaborations.

The Department of Computer Science at Rajagiri College of Management and Applied Sciences in Kakkanad, Kerala, is typically dedicated to providing high-quality education and training in various aspects of computer science, information technology, and related fields. It is our pride to announce that we will be hosting a International Seminar on Data Science and Applications. The event will take place on the 4th and 5th of March, 2024.

Objective:

Participants gained a comprehensive understanding of data science fundamentals, advanced techniques, and real-world applications

Day 1 (09.30 AM to 04.00 PM)

Introduction to Data Science, Machine Learning Algorithms, Big Data Analytics, Data Visualization .

Day 2 (09.30 AM to 04.00 PM)

Deep Learning, Natural Language Processing, Ethics in Data Science

8. Seminar on Implementation of Learned Facts in Industry

Programme	Seminar on Implement of Learned Facts In Industry
Date	27 and 28 September 2022
No. of Participants	58 Students
Resource Person	Mr. Jayasankar, Associate Software Developer, TCS, Chennai
Outcome	Equipped students with actionable insights and strategies to seamlessly apply theoretical knowledge in practical industry scenarios, fostering a smoother transition from academia to professional environments."
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Mr. Sijo Jacob Department of Computer Science
Student in charge	Ms. Merin Varghese BCA 5th Semester, Department of Computer Science

The seminar conducted on 27/09/2022 to 28/09/2022 implementing learned facts in industry to students was a resounding success, providing valuable insights into bridging the gap between academic knowledge and practical application in real-world settings. The seminar emphasized the importance of hands-on experience, industry internships, and collaboration with industry experts to enhance students' understanding and application of learned concepts. Through interactive sessions, case studies, and panel discussions, attendees gained a deeper understanding of how to leverage their academic learning to solve industry challenges and contribute meaningfully to their respective fields.

9. Seminar on Embracing Technology with Google Apps

Programme	Seminar on Embracing Technology with Google Apps
Date	8 and 9 September 2021
No. of Participants	66 Students
Resource Person	Ms. Neethu Maria Jose, Assistant Professor, Rajagiri College of Management and Applied Sciences ,Kakkanad.
Outcome	Participants gained practical knowledge and skills in utilizing Google Apps to enhance productivity, collaboration, and efficiency in academic and professional settings.
Organized by	Department of Management, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Geethu Giby, Department of Management
Student in charge	Ms. Aleena Sudheer, BBA Semester 5, Department of Management

Rajagiri College of Management and Applied Sciences organized a dynamic seminar titled "Embracing Technology with Google Apps" on 8 and 9 September 2021. The seminar aimed to equip students with practical skills and knowledge to leverage Google Apps for enhancing productivity, collaboration, and efficiency in both academic and professional environments.

Ms. Neethu Maria Jose, Assistant Professor at Rajagiri College of Management and Applied Sciences, led the seminar as the resource person. With her expertise in educational technology and hands-on experience with Google Apps, Ms. Neethu Maria Jose conducted engaging sessions that captivated the 66 participating students. Her interactive approach and practical demonstrations enabled students to grasp the functionalities and benefits of Google Apps effectively.

RAJAGIRI VALLEY P.O., KAKKANAD, KOCHI - 682 039
Ph: 0484 2955270
Email: principal@rajagiricollege.edu.in
www.rajagiricollege.edu.in

A significant outcome of the seminar was the acquisition of practical knowledge and skills by participants in utilizing Google Apps. Students learned various applications such as Google Drive for document management and collaboration, Google Docs for seamless document creation and editing, Google Sheets for data analysis and visualization, and Google Slides for impactful presentations. These tools are essential for enhancing productivity and streamlining workflows in academic assignments and professional projects.

Moreover, the seminar empowered students to leverage Google Apps for effective collaboration within teams. Participants gained insights into utilizing features like real-time editing, commenting, and sharing, which facilitate collaborative work processes and improve team efficiency. These collaborative capabilities are crucial in preparing students for future workplace dynamics where teamwork and digital collaboration are increasingly prevalent.

The Department of Management, under the leadership of Ms. Geethu Giby, ensured the successful organization and execution of the seminar. Ms. Aleena Sudheer, from the BBA semester 5, played a vital role as the student in charge, contributing to logistical arrangements and ensuring active participation from her peers.

"Embracing Technology with Google Apps" at Rajagiri College of Management and Applied Sciences was highly beneficial for participants. It equipped them with practical skills and knowledge in utilizing Google Apps to enhance productivity, collaboration, and efficiency, thereby preparing them for academic success and future professional endeavors.

8 and 9 September 2021 | Google meet

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and rational foundation of its students.

With a focused vision of imparting solid foundation in Management principles, theories and practices and to equip students for challenging Entrepreneurial and Managerial positions , the Department of Management was established in July 2005.

Since its inception , holistic empowerment of the student community is given utmost importance. Various Curricular and Co Curricular programs are designed and implemented in the department to enhance the knowledge , skills and attitudes of the students and to prepare them for Higher Studies as well as the Corporate World.

Objective

Participants gain practical knowledge and skills in utilizing Google Apps to enhance productivity, collaboration, and efficiency in academic and professional settings. Additionally, hands-on activities allowed participants to create and share documents in real-time, fostering a collaborative environment.

Day 1 (11 : 30 AM - 1:30 PM)

Embracing Technology with Google Apps

Discover the essential features of Google Apps, focusing on productivity tools like Gmail, Google Drive, and Docs. Learn how these apps enhance collaboration and streamline workflows. Explore practical tips for integrating Google Apps into daily tasks, emphasizing efficiency and organization.

Day 2 (2: 00 PM - 4:00 PM)

Advanced Techniques and Applications

Dive deeper into Google Apps with advanced features such as Sheets for data analysis and Slides for dynamic presentations. Discuss strategies for maximizing team productivity through Google Workspace. Engage in hands on exercises to apply Google Apps to real-world scenarios, fostering innovation and problem solving. generate headings and make it in present tense

10. Seminar on Cloud Computing with AWS

Programme	Seminar On Cloud Computing with AWS
Date	5 and 6 January 2022
No. of Participants	52 Students
Resource Person	Muhamed Shareef, Cloud Workshop Presenter, Spectrum software solutions
Outcome	Provided participants with essential knowledge and hands-on experience in leveraging AWS cloud services for scalable and efficient IT solutions.
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Juby George, Department of Computer Science
Student in charge	Ms. Merin Jai, BCA 5th Semester, Department of Computer Science

The "Seminar on Cloud Computing with AWS", held on 05/01/2021 to 06/01/2021 at Computer Lab 1, brought together cloud computing enthusiasts, professionals, and students to explore the extensive capabilities and applications of Amazon Web Services (AWS). The seminar featured comprehensive presentations by AWS-certified experts, who provided deep insights into the fundamental principles of cloud computing and the specific services offered by AWS. Attendees were introduced to key AWS services such as EC2, S3, Lambda, and RDS, along with best practices for deploying, managing, and scaling cloud-based applications. The interactive sessions and hands-on workshops allowed participants to gain practical experience in using

5 January 2021 to 6 January 2021 | Computer Lab - 1, RCMAS

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences is an affiliated college offering undergraduate and post-graduate degrees conferred by Mahatma Gandhi University. The courses are offered in the discipline of Management, Arts and Computer Application. Besides a robust teaching pedagogy, Rajagiri College of Management & Applied Sciences is also a leader in research and innovation. The institution marked its inception in the year 2008 and is modelled on the dream and vision of Saint Kuriakose Elias Chavara, the Founder of CMI congregation and a social reformer in the 19th Century. Focus is given to activities beyond academics at Rajagiri College of Management & Applied Sciences, which is evident from its infrastructure, extracurricular activities and national & international collaborations.

The Department of Computer Science at Rajagiri College of Management and Applied Sciences in Kakkanad, Kerala, is typically dedicated to providing high-quality education and training in various aspects of computer science, information technology, and related fields. It is our pride to announce that we will be hosting a workshop on Cloud Computing with AWS. The event will take place from 5 January to 6 January, 2021.

Day 1 : (09.30 AM to 04.00 PM)

Introduction to AWS Cloud Computing

Day 2 : (09.30 AM to 04.00 PM)

Advanced AWS Cloud Solutions and Best Practices

Objective :

Participants inferred cloud infrastructure, scalable, secure cloud solutions effectively in real-world scenarios.

11. Global Seminar on Hacker Tactics: Understanding Online Data Theft

Programme	Global Seminar on Hacker Tactics : Understanding Online Data Theft
Date	24 and 25 February 2021
No. of Participants	28 Students.
Resource Person	Mr. Bhargava Cherukupally, Certified Ethical Hacker (CEH), Cybersecurity Specialist and Consultant, Expert in Penetration Testing and Cyber Defense.
Outcome	Held on 24-25 February 2021 at Online – Google Meet platform, this seminar, facilitated by Mr. Bhargava Cherukupally, equipped 28 participants with knowledge on hacker tactics, cybersecurity defenses, and data protection measures. Attendees gained insights into ethical hacking, penetration testing, and strategies to mitigate online data theft, enhancing their awareness and preparedness in cybersecurity.
Organized by	Department of Commerce, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Mr. Jose Francis , Assistant Professor, RCMAS
Student in charge	Mr. Farez C Perviz and Mr. Ebin Cherian, Department of Commerce

The Global Seminar on "Hacker Tactics: Understanding Online Data Theft" took place on 24 and 25 February 2021 at Online – Google Meet platform. The seminar was coordinated by Mr. Jose Francis, Assistant Professor at RCMAS, with student coordinators Mr. Farez C Perviz and Mr. Ebin Cherian. A total of 28 participants attended the event.

www.rajagiricollege.edu.in

Mr. Bhargava Cherukupally, a Certified Ethical Hacker and cybersecurity specialist, led the sessions from 9:30 AM to 12:00 PM on both days. On Day 1, Mr. Cherukupally provided an in-depth look at various hacking techniques and the methods cybercriminals use to steal online data. Day 2 focused on defense mechanisms and best practices for protecting personal and organizational data from cyber threats.

Participants gained valuable insights into cybersecurity, learning both offensive and defensive tactics. The seminar was highly informative, equipping attendees with essential knowledge to safeguard against online data theft.

Exploring the Technology Behind Online Data Theft: An International Seminar on How Hackers Steal Data" is a high-level seminar designed to delve into the intricacies of online data theft. This event aims to provide a comprehensive understanding of the methods and technologies used by hackers to breach security systems and steal sensitive data. It also aims to equip attendees with knowledge and strategies to protect against such threats. Mr. Bhargava Cherukupally, a Certified Ethical Hacker and cybersecurity specialist, led the sessions from 9:30 AM to 12:00 PM on both days. On Day 1, Mr. Cherukupally provided an in-depth look at various hacking techniques and the methods cybercriminals use to steal online data. Day 2 focused on defense mechanisms and best practices for protecting personal and organizational data from cyber threats.

Objectives

- Provide participants with a comprehensive overview of various hacking methods used by cybercriminals.
- Explore the specific techniques and technologies hackers use to breach security systems and steal data.
- Teach effective strategies and defense mechanisms to protect against online data theft.
- Equip attendees with best practices for safeguarding personal and organizational data from cyber threats.
- Raise awareness about the importance of cybersecurity and the need for robust data protection measures.
- Utilize the expertise of Mr. Bhargava Cherukupally to provide valuable knowledge and actionable strategies.

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and rational foundation of its students.

Department of Commerce aims to enhance research capabilities, innovate its curriculum, and promote holistic development through various co-curricular and extracurricular activities.
Vision of the Department:
To empower our students with knowledge, skills and ethical grounding to excel in the global economy.

Mission of the Department:
To cultivate socially responsible commerce professionals capable of addressing global challenges sustainably.

12. Tech Literacy Seminar on "From Classroom to Cubicle"

Programme	Tech Literacy Seminar on "From Classroom to Cubicle"
Date	18and 19 July of 2019
No. of Participants	28 Students
Resource Person	Mr. Nebil Raji , Corporate Trainee
Outcome	Participants gained essential corporate skills, enhancing their readiness for professional environments.
Organized by	Department of Commerce, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Amrutha Antony. Department of Commerce
Student in charge	Mr. Aryan Shukla, Department of Commerce

The Tech Literacy Seminar titled "From Classroom to Cubicle" was held on the 18th and 19th of July, 2019, in the Conference Hall of Rajagiri College of Management and Applied Sciences. The seminar was coordinated by Ms. Amrutha Antony, Assistant Professor, and the student coordinator was Mr. Aryan Shukla. The seminar featured Mr. Nebil Raji, a corporate trainee, as the resource person.

The sessions, attended by 28 participants, aimed to bridge the gap between academic knowledge and corporate skills. Day 1 of the seminar, from 9:30 am to 12:00 pm, focused on introducing the participants to essential workplace technologies and soft skills. On Day 2, from 10:30 am to 1:30 pm, Mr. Raji provided in-depth training on how to adapt academic skills to meet corporate demands effectively. The seminar was highly interactive, with participants engaging in discussions and activities designed to enhance their understanding of corporate environments. Overall, the seminar successfully prepared students for a smoother transition from academic life to their professional careers.

About The College

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto "Learn, Serve, Excel" and aims to enhance the moral, social, and rational foundation of its students.

About The Department

The Department of Commerce, established in 2005, has rapidly expanded to become a hub of academic excellence and professional training. Initially focused on undergraduate education, offering six UG courses and one PG course. With a robust faculty team of 31 members.The Department of Commerce aims to enhance research capabilities, innovate its curriculum, and promote holistic development through various co-curricular and extracurricular activities.

Objective

To equip students with essential technological literacy and blendtheoretical knowledge with practical skills, fostering a comprehensive understanding of current tech trends for career success.

Day 1 (9:30AM - 12:00PM)

Foundations of Tech Literacy

Covering basic concepts and principles of technology, Engaging participants in practical activities or workshops to apply theoretical knowledge and Focusing on essential digital skills such as using software, navigating the internet, and understanding tech terminology

Day 2 (10:30AM - 1:30PM)

Exploring Tech-Related Career Opportunities and Paths

Focusing on discussing various career opportunities within the tech industry, including different roles and specializations and Helping students identify their skills and interests and how they align with different tech careers.

13. Two Days Seminar on Igniting Passion in IT: Code Inspire

Programme	Code Inspire: Two Days Seminar on Igniting Passion in IT
Date	24 and 25 July 2019
No. of Participants	61 Students
Resource Person	Dr. Lini Paul, Informatics Scientist, CUSAT
Outcome	By providing a platform for skill development, networking, and personal growth, the seminar has laid the groundwork for sustained enthusiasm and innovation in the IT sector.
Organized by	Department of Computer Science, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Ms. Nileena Sasidharan, Department of Computer Science
Student in charge	Ms. Reema Varghese, BCA 5th Semester, Department of Computer Science

The "Two Day Seminar on Igniting Passion in IT: Code Inspire," held on 24/09/2019 to 25/09/2019 at Computer Lab, successfully energized and inspired a diverse group of students. Keynote speaker, shared their journeys and insights, motivating students to pursue their IT careers with renewed vigor and passion. The workshops covered cutting-edge technologies like artificial intelligence, blockchain, and cybersecurity, providing students with practical skills and innovative approaches to problem-solving.

14. Seminar on Cyber Security Trends: Safety in the Digital Age

Programme	Seminar on Cyber Security Trends : Safety in the Digital Age
Date	26 and 27 September 2019
No. of Participants	36 Students.
Resource Person	Mr Abdul Ali, Co-founder & CTO of Ehackify Research & Trainings
Outcome	Conducted on 26-27 September 2019, this seminar educated 36 participants on current cyber threats and safety measures. Led by Mr. Abdul Ali, attendees learned about phishing, malware, and data protection strategies, enhancing their awareness and preparedness in the digital realm.
Organized by	Department of Commerce, Rajagiri College of Management and Applied Sciences, Rajagiri Valley P. O, Cochin-39
Faculty in charge	Mr. Jose Francis and Ms. Nidhi Varghese, Assistant Professor, RCMAS
Student in charge	Mr. Alen Kottaram, Department of Commerce

The seminar on "Cyber Security Trends: Safety in the Digital Age" was held on 26 and 27 September 2019 in Conference Hall. Organized by Ms. Jose Francis and Ms. Nidhi Varghese, Assistant Professors at RCMAS, and coordinated by student Mr. Alen Kottaram, the seminar attracted 36 participants.

Mr. Abdul Ali, Co-founder and CTO of Ehackify Research & Trainings, led the sessions from 10:30 AM to 12:00 PM on both days. Day 1 focused on current cyber security threats and trends, including phishing, malware, and data breaches. Mr. Ali shared insights into the evolving landscape of cyber threats and the importance of staying informed and vigilant.

Dear Sir/Madam,

Rajagiri College of Management and Applied Sciences, Kakkanad, Kerala, established in 2005, is under the guidance of the CMI Fathers, a religious congregation founded by St. Kuriakose Elias Chavara. Belonging to the Sacred Heart Province of the CMI, the college is driven by the motto 'Learn, Serve, Excel' and aims to enhance the moral, social, and rational foundation of its students.

DEPARTMENT OF COMMERCE

Department Profile

About the Department

The Department of Commerce, established in 2005, has rapidly expanded to become a hub of academic excellence and professional training. Initially focused on undergraduate education, offering six UG courses and one PG course. With a robust faculty team of 31 members,The Department of Commerce aims to enhance research capabilities, innovate its curriculum, and promote holistic development through various co-curricular and extracurricular activities.

11 Vision of the Department

To empower our students with knowledge, skills and ethical grounding to excel in the global economy.

Mission of the Department

To cultivate socially responsible commerce professionals capable of addressing global challenges sustainably

Day 1 (10:30 AM - 12:00 PM)

Overview on Emerging Cyber Threats

Addressing these threats requires continuous adaptation of cybersecurity strategies, collaboration between public and private sectors, and investments in advanced technologies and personnel training.

Day 2 (10:30 AM - 12:00 PM)

Strategies and tools for Cyber Security

Effective cybersecurity requires a holistic approach that combines technical measures, user education, and proactive threat management to safeguard organizations against evolving cyber threats.

OBJECTIVE

Overall, the seminar will provide valuable knowledge and skills for navigating the digital age safely. Attendees will appreciate Mr. Ali's expertise and the seminar's comprehensive approach to addressing contemporary cyber security challenges.
