Declaration of the Principal

This is to declare that, as directed by DVV, the HEI has rectified discrepancies and addressed concerns related to sports and cultural activities. Cultural activities conducted under a single event have been consolidated and counted as one activity. The revised template of activities for the last five academic years, from 2019 to 2024, is attached herewith. During this period, the students of Rajagiri College of Management and Applied Sciences participated in **194** sports and cultural events.

The HEI wishes to make a plea that the university frequently organises various sports events in which different student groups from RCMAS participate at various venues. This scheduling is prepared and managed by the university, and the HEI must adhere to this schedule for promoting extensive engagement in sports activities.
