Declaration of the Principal

As suggested by the DVV, the HEI has re-evaluated the claim for the respective assessment period and requests that the financial aid be considered on the following grounds:

During the last five years, a total of 213 teachers have benefitted from the financial aid provided by the institution for attending conferences, workshops and for membership fees in professional bodies. Following the revision of the NAAC manual in the academic year 2023-2024, stipulating the minimum financial aid as Rs. 5,000, the HEI promptly updated its financial aid policy, raising the limit in accordance with the revised NAAC specifications. As directed by the DVV, the HEI has excluded 53 beneficiaries who received financial aid less than Rs 5000 during the year 2023-2024.

Of the total 213 teachers who received financial assistance over the entire assessment period, 153 teachers had benefitted from the aid between the years 2019 and 2023, a period during which the NAAC manual had no specific stipulations regarding the minimum amount of financial aid.

The HEI humbly request to accept the financial aid benefitted by 7 teachers in the academic year 2023-24 and that of 153 teachers during the assessment period from 2019 to 2023, summing the revised claim of the HEI during the assessment period as 160.
