IN ASSOCIATION WITH (IQAC)
INSTITUTE OF MANAGEMENT ACCOUNTANTS (IMA), USA**

ICCER'24

January 14 & 15, 2025

Rajagiri College of Management and Applied Sciences (RCMAS), Kakkanad

Organised by

Department of commerce

Conference Theme

Business, Finance, and Trade Practices in the Digital Age: Innovation, Sustainability, and Transformation

Conference Overview

Department of commerce, Rajagiri college of Management and Applied Sciences (RCMAS) is proposed to schedule an International Conference for researchers, academics, and industry experts to discuss emerging trends in commerce and economics. With IMA, USA, as the knowledge partner, ICCER'24 is centered around the theme: Business, Finance, and Trade Practices in the Digital Age: Innovation, Sustainability, and Transformation. The conference will explore key topics such as digital finance, banking innovations, data analytics, entrepreneurial strategies, and circular economy principles. It seeks to address the challenges and opportunities businesses face in driving value creation while upholding environmental and social sustainability in a rapidly evolving digital landscape. Attendees will have the opportunity to engage in insightful discussions, expand their professional networks, and collaborate on research that will help shape the future of sustainable business practices.

About the College

Rajagiri College of Management and Applied Sciences (RCMAS), a CMI institution in Kochi, Kerala, upholds the legacy of the Carmelites of Mary Immaculate (CMI), inspired by St. Kuriakose Elias Chavara. Established in 2005, RCMAS offers a diverse range of undergraduate and postgraduate programs, combining academic excellence with holistic development. Situated on an eco-friendly campus, the College emphasizes leadership, innovation, social responsibility, and sustainability through initiatives like the Rajeevani green project and IQAC for quality assurance. With strong industry partnerships, outcome-based education, and a focus on global perspectives, RCMAS is dedicated to shaping future-ready professionals and fostering community engagement for sustainable development.
